

was estimated using Commission review of filed Rule 17Ad-13 reports and Commission conversations with transfer agents and accountants. The Commission estimates that, on average, 120 hours are needed to perform the study, prepare the report, and retain the required records on an annual basis. Assuming an average hourly rate of an independent accountant of \$60, the average total annual cost of the report is \$7,200. The total annual cost for the approximate 100 respondents is approximately \$720,000.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension: Rule 17Ad-15; SEC File No. 270-360, OMB Control No. 3235-0409.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information provided for in Rule 17Ad-15 (17 CFR 240.17Ad-15) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17Ad-15 (17 CFR 240.17Ad-15) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) (the "Act") requires approximately 429 transfer agents to establish written standards for the acceptance or rejection of guarantees of securities transfers from eligible guarantor institutions. Transfer agents are required to establish procedures to ensure that those standards are used by the transfer agent to determine whether to accept or reject guarantees from eligible guarantor institutions. Transfer agents must maintain, for a period of three years following the date of a rejection of transfer, a record of all transfers rejected, along with the reason for the rejection, identification of the guarantor, and whether the guarantor failed to meet the transfer agent's guarantee standard. These recordkeeping requirements assist the Commission and other regulatory agencies with monitoring transfer agents and ensuring compliance with the rule.

There are approximately 429 registered transfer agents. The staff estimates that each transfer agent will spend about 40 hours annually to comply with Rule 17Ad-15, or a total of 17,160 hours for all transfer agents (429 × 40 hours = 17,160 hours). The Commission staff estimates that compliance staff work at each registered transfer agent will result in an internal cost of compliance (at an estimated hourly wage of \$283) of \$11,320 per year per transfer agent (40 hours × \$283 per hour = \$11,320 per year). Therefore, the aggregate annual internal cost of compliance for the approximately 429 registered transfer agents is approximately \$4,856,280 (\$11,320 × 429 = \$4,856,280).

This rule does not involve the collection of confidential information.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-75609; File No. SR-NYSEMKT-2015-59]

Self-Regulatory Organizations; NYSE MKT LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the NYSE Amex Options Fee Schedule To Discontinue the Market Access and Connectivity Subsidy

August 5, 2015.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the "Act") ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on July 31, 2015, NYSE MKT LLC (the "Exchange" or "NYSE MKT") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the NYSE Amex Options Fee Schedule ("Fee Schedule") to discontinue the Market Access and Connectivity ("MAC") Subsidy. The Exchange proposes to implement the fee change effective August 1, 2015. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange,

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to discontinue the MAC Subsidy as described below. The Exchange proposes to implement this fee change effective August 1, 2015.

The Exchange proposes to discontinue fees for the MAC Subsidy, which is paid to ATP Holders that provide access and connectivity to the Exchange to other ATP Holders and/or utilize such access themselves. In February 2014, the Exchange implemented the MAC Subsidy for those ATP Holders that provide access and connectivity to the Exchange for the purposes of electronic order routing either to other ATP Holders and/or utilize such access themselves.⁴ The MAC Subsidy pays a certain rebate to qualifying ATP Holders based on certain executed electronic volumes delivered to the Exchange by the qualifying ATP Holders' connection(s) to the Exchange. The MAC Subsidy was designed to attract higher volumes of electronic equity and Exchange-Traded Fund ("ETF") volume to the Exchange from certain market participants. However, the Exchange does not believe that the MAC Subsidy has achieved its intended objective of attracting additional volume and, therefore, proposes to discontinue it. Thus, the Exchange proposes to delete the MAC Subsidy, and the description thereof, from Section I.H. of the Fee Schedule and to hold that section as Reserved.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and (5) of the Act,⁶ in particular, because it provides for the equitable allocation of reasonable dues, fees, and other charges among its members, issuers and other persons using its facilities and does not unfairly discriminate between customers, issuers, brokers or dealers.

The Exchange believes the discontinuance of the MAC Subsidy is reasonable, equitable and not unfairly discriminatory because it would result in all similarly situated ATP Holders being treated in the same manner, regardless of volume delivered to the Exchange. The Exchange further believes the proposed rule change is reasonable because removing the MAC Subsidy from the Fee Schedule will provide clarity and greater transparency regarding the Exchange's fees.

For these reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

In accordance with Section 6(b)(8) of the Act,⁷ the Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

The Exchange notes that it operates in a highly competitive market in which market participants can readily favor competing venues. In such an environment, the Exchange must continually review, and consider adjusting, its fees and credits to remain competitive with other exchanges. For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section

19(b)(3)(A)⁸ of the Act and subparagraph (f)(2) of Rule 19b-4⁹ thereunder, because it establishes a due, fee, or other charge imposed by the Exchange.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹⁰ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

Consistent with this obligation, USTR is providing notice that the establishment of a dispute settlement panel has been requested pursuant to the DSU. The panel will hold its meetings in Geneva, Switzerland.

Major Issues Raised by Indonesia

On November 17, 2010, the U.S. Department of Commerce ("DOC") published antidumping ("AD") and countervailing duty ("CVD") orders (75 FR 70205; 75 FR 70206) on certain coated paper from Indonesia. On March 13, 2015, Indonesia requested WTO dispute settlement consultations regarding some of DOC's determinations in the CVD investigation, as well as the U.S. International Trade Commission's ("ITC") threat of material injury determinations in both the AD and CVD proceedings. Indonesia and the United States held consultations in Geneva on June 25, 2015.

On July 9, 2015, Indonesia requested that the WTO establish a dispute settlement panel. In its panel request, Indonesia contends that the DOC's findings of countervailable subsidies with respect to a number of government practices in the logging and paper industries are inconsistent with Article VI of the *General Agreement on Tariffs And Trade 1994* ("GATT 1994") and the *Agreement on Subsidies and*
