2. Testimony by Employees and the Production of Records and Information in Legal Proceedings—20 CFR 403.100–403.155—0960–0619. Regulations at 20 CFR 403.100–403.155 of the Code of Federal Regulations establish SSA's policies and procedures for an individual, organization, or government entity to request official agency

information, records, or testimony of an agency employee in a legal proceeding when the agency is not a party. The request, which respondents submit in writing to the Commissioner, must (1) fully set out the nature and relevance of the sought testimony; (2) explain why the information is not available by other means; (3) explain why it is in SSA's

interest to provide the testimony; and (4) provide the date, time, and place for the testimony. Respondents are individuals or entities who request testimony from SSA employees in connection with a legal proceeding.

Type of Request: Extension of an OMB-approved information collection.

3. Notification of a Social Security Number (SSN) To An Employer for Wage Reporting—20 CFR 422.103(a)—0960–0778. Individuals applying for employment must provide a Social Security Number, or indicate they have applied for one. However, when an individual applies for an initial SSN, there is a delay between the assignment of the number and the delivery of the SSN card. At an individual's request, SSA uses Form SSA–132 to send the

individual's SSN to an employer. Mailing this information to the employer: (1) Ensures the employer has the correct SSN for the individual; (2) allows SSA to receive correct earnings information for wage reporting purposes; and (3) reduces the delay in the initial SSN assignment and delivery of the SSN information directly to the employer. It also enables SSA to verify the employer as a safeguard for the applicant's personally identifiable

information. The majority of individuals who take advantage of this option are in the United States with exchange visitor and student visas; however, we allow any applicant for an SSN to use the SSA–132. The respondents are individuals applying for an initial SSN who ask SSA to mail confirmation of their application or the SSN to their employers.

Type of Request: Revision of an OMB-approved information collection.
