Imposition of Nonproliferation Measures on Two North Korean Entities

AGENCY: Bureau of International Security and Nonproliferation, Department of State.

ACTION: Notice.

SUMMARY: The U.S. Government has determined that two North Korean entities have engaged in proliferation activities that warrant the imposition of measures pursuant to Executive Order 12938 of November 14, 1994, as amended by Executive Order 13094 of July 28, 1998 and Executive Order 13382 of June 28, 2005.

DATES: Effective September 24, 2015.

FOR FURTHER INFORMATION CONTACT: Pam Durham, Office of Missile, Biological, and Chemical Nonproliferation, Bureau of International Security and Nonproliferation, Department of State (202-647-4930). On import ban issues, Susan Demske, Assistant Director for Regulatory Affairs, Department of the Treasury (202-622-4855). On U.S. Government procurement ban issues, Eric Moore, Office of the Procurement Executive, Department of State (703-875-4079).

SUPPLEMENTARY INFORMATION: Pursuant to the authorities vested in the President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 *et seq.*) (IEEPA), the National Emergencies Act

(50 U.S.C. 1601 *et seq.*), the Arms Export Control Act (22 U.S.C. 2751 *et seq.*), and Section 301 of title 3, United States Code, and Executive Order 12938 of November 14, 1994, as amended, the U.S. Government determined on August 17, 2015 that the following two North Korean entities have engaged in proliferation activities that warrant the imposition of measures pursuant to sections 4(b), 4(c), and 4(d) of Executive Order 12938:

Hesong Trading Corporation (North Korea)

Korea Mining and Development Corporation (KOMID) (North Korea)

Accordingly, pursuant to the provisions of Executive Order 12938, the following measures are imposed on these entities, and their subunits and successors, for two years:

1. No departments or agencies of the United States Government shall procure or enter into any contract for the procurement of any goods, technology, or services from these entities including the termination of existing contracts;

3. The Secretary of the Treasury shall prohibit the importation into the United States of any goods, technology, or services produced or provided by these entities, other than information or informational materials within the meaning of section 203(b)(3) of the International Emergency Economic Powers Act (50 U.S.C. 1702(b)(3)).

These measures shall be implemented by the responsible departments and agencies as provided in Executive Order 12938.

In addition, pursuant to section 126.7(a)(1) of the International Traffic in Arms Regulations, it is deemed that suspending the above-named entities from participating in any activities subject to Section 38 of the Arms Export Control Act would be in furtherance of the national security and foreign policy of the United States. Moreover, it is the policy of the United States to deny licenses and other approvals for exports and temporary

imports of defense articles and defense services destined for the above-named entities.

Dated: September 17, 2015.

Assistant Secretary of State for International Security and Nonproliferation, Acting.

Abstract of Proposed Collection

The Exchange Alumni Virtual Program provides a platform for former participants of U.S. government-sponsored exchange programs to extend and multiply the impacts of their exchanges by virtually engaging with foreign alumni and students. The program supports critical foreign policy goals, such as enhancing English learning and the promotion of American culture and values abroad, particularly in countries where views of American culture may not always be positive. The program also provides American alumni with an opportunity to develop their foreign language skills in critical languages or other competencies gained on their exchange programs, while continuing to deepen their own cultural awareness and global skills.

The information is sought pursuant to the Mutual Educational and Cultural Exchange Act of 1961, as amended (also known as the Fulbright-Hays Act) (22 U.S.C. 2451 *et seq.*)

Respondents to this form are U.S. government-sponsored exchange program alumni. Alumni Affairs collects data from program applicants in order to determine eligibility and to choose the best candidates for the program.

Methodology

Information will be collected electronically, via the International Exchange Alumni Web site, alumni.state.gov.

DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Funding Availability for the Ladders of Opportunity Initiative: Pilot On-the-Job-Training Supportive Services Program

AGENCY: Federal Highway Administration (FHWA), Department of Transportation (DOT).

ACTION: Notice of funding availability.

SUMMARY: The FHWA announces a Notice of Funding Availability (NOFA) for a Pilot On-the-Job-Training Supportive Services (OJT/SS) Program through the Ladders of Opportunity Initiative in the amount of \$3 million. The FHWA seeks to award discretionary grants to State Departments of Transportation (State DOTs), or to other State agencies or local governments applying through their State DOTs as subrecipients, in award amounts of up to \$500,000 each. The FHWA may choose to fund the program for more or less than the announced amount, including applying any future appropriated funds toward the projects proposed in response to this NOFA. This NOFA solicits proposals that promote innovative, nationally and regionally significant, highway construction workforce development programs that invest in America's economic growth and build ladders of opportunity into the middle class for American workers. The term “highway construction workforce” should be read broadly to encompass the workforce necessary to carry out activities eligible for funding under FHWA's Surface Transportation Program (STP) at section 133(b) of title 23, United States Code (U.S.C.). Applications should outline areas of upcoming demand in the State's highway construction workforce and ensure that proposed programs would train workers in skills to fill specific workforce shortages.

DATES: Complete proposals are due by 11:59 p.m., e.t. on December 23, 2015.

ADDRESSES: Applicants must submit all proposals electronically through <http://www.grants.gov/>. All entities intending to apply should initiate the process of registering on the grants.gov Web site immediately to ensure registration before the submission deadline. Instructions for applying can be found in the “FIND” module of grants.gov. Mail and fax submissions will not be accepted.
