RIN 2040–AF16

Water Quality Standards Regulatory Revisions; Correction

AGENCY: Environmental Protection Agency (EPA).

ACTION: Final rule; correction.

SUMMARY: EPA is removing a sentence regarding the effective date for judicial review purposes in the preamble to a final rule that appeared in the **Federal Register** of August 21, 2015 (80 FR 51019). EPA included this sentence in the preamble to the final rule in error. Since the final rule does not fall within any of the actions listed in Clean Water Act section 509, it was not necessary to specify an effective date for judicial review purposes in the preamble. With this correction there is no delay in the effective date for purposes of judicial review, and parties choosing to do so may therefore seek judicial review at this time.

DATES: This correction is effective as of August 21, 2015.

FOR FURTHER INFORMATION CONTACT: Janita Aguirre, Standards and Health Protection Division, Office of Science and Technology (4305T), Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington DC 20460; telephone number: (202) 566–1860; fax number: (202) 566–0409; email address: WQSRegulatoryClarifications@epa.gov.

SUPPLEMENTARY INFORMATION: In FR Doc. 2015–19821 appearing on page 51020 in the **Federal Register** of Friday, August 21, 2015, the following correction is made:

On page 51022, in the second column, under the heading entitled *E. When*

does this action take effect?, in the first paragraph, line 2, remove “For judicial review purposes, this rule is promulgated as of 1 p.m. EST (Eastern Standard Time) on the effective date, which will be 60 days after the date of publication of the rule in the **Federal Register**.”

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket ID FEMA–2015–0001; Internal Agency Docket No. FEMA–8401]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Final rule.

SUMMARY: This rule identifies communities where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP) that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date. Also, information identifying the current participation status of a community can be obtained from FEMA’s Community Status Book (CSB). The CSB is available at <http://www.fema.gov/fema/csb.shtm>.

DATES: The effective date of each community’s scheduled suspension is the third date (“Susp.”) listed in the third column of the following tables.

FOR FURTHER INFORMATION CONTACT: If you want to determine whether a

particular community was suspended on the suspension date or for further information, contact Bret Gates, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (202) 646–4133.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase Federal flood insurance that is not otherwise generally available from private insurers. In return, communities agree to adopt and administer local floodplain management measures aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits the sale of NFIP flood insurance unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59. Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. We recognize that some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue to be eligible for the sale of NFIP flood insurance. A notice withdrawing the suspension of such communities will be published in the **Federal Register**.

In addition, FEMA publishes a Flood Insurance Rate Map (FIRM) that identifies the Special Flood Hazard Areas (SFHAs) in these communities. The date of the FIRM, if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may be provided for construction or acquisition of buildings in identified SFHAs for communities not participating in the NFIP and identified for more than a year on FEMA’s initial FIRM for the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and

public comment procedures under 5 U.S.C. 553(b), are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives 6-month, 90-day, and 30-day notification letters addressed to the Chief Executive Officer stating that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications were made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of

1968, as amended, Section 1315, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless remedial action takes place.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

[Docket No. 14121999-5843-01]

RIN 0648-BE73

Magnuson-Stevens Act Provisions; Fishery Management Council Freedom of Information Act Requests Regulations; Technical Amendments to Regulations

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Final rule; technical amendments.

SUMMARY: NMFS is hereby making technical amendments without altering the substance of the regulations governing the operation of Regional Fishery Management Councils (Councils) under the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act). The intent

of this action is to update existing Council regulations to reflect the current procedure for processing Freedom of Information Act (FOIA) requests received by Councils. These changes will make our rules more internally consistent and easier to use.

DATES: This final rule is effective October 26, 2015.

ADDRESSES: 1315 East West Highway, SSMC3, Room #10843, Silver Spring, MD 20910.

FOR FURTHER INFORMATION CONTACT: Steven Goodman at 301-427-8732, steven.goodman@noaa.gov.

SUPPLEMENTARY INFORMATION:

Background

Recently, the Department of Commerce (DOC) published a proposed rule and a final rule in the **Federal Register** (79 FR 11025, February 27, 2014; 79 FR 62553, October 20, 2014) implementing revisions to DOC FOIA regulations. The DOC FOIA regulations were revised to clarify, update and streamline the language of several procedural provisions, including using FOIAonline, a web-based tracking and processing tool for FOIA requests. NOAA now uses FOIAonline to receive, securely manage and respond to FOIA requests submitted by the public.

NMFS has existing regulations for handling FOIA requests received by the Councils entitled “Freedom of Information Act (FOIA) requests.” 50 CFR 600.155. These regulations provide that the NOAA FOIA Officer will prepare a Form CD-244, “FOIA Request

and Action Record,” for FOIA requests received by a Council.

Corrections

NMFS is revising regulations at § 600.155(a) and (b) to reflect the use of FOIAonline. This action specifically amends the regulations to remove the requirement to prepare a Form CD-244 and to clarify that, after FOIA requests received by a Council are coordinated with the appropriate NMFS Regional Office (Region), the Region then forwards the request to the NOAA FOIA officer who enters the FOIA request into FOIAonline. No other changes are being considered or implemented.

Classification

The NMFS Assistant Administrator has determined that this rule is consistent with the Magnuson-Stevens Fishery Conservation and Management Act and other applicable laws.

This rule has been determined to be not significant for purposes of Executive Order 12866.

This rule pertains solely to agency procedure and corrects existing regulations to reflect the current practice for processing FOIA requests received by a Council. It makes no changes to the substantive legal rights, obligations, or interests of affected parties. This rule therefore is a “rule of agency organization, procedure or practice” and is therefore exempt from the notice-and-comment requirements of the Administrative Procedure Act at 5 U.S.C. 553(b)(A).
