Background

On March 7, 1986, the Department published in the **Federal Register** the CVD order on steel pipes and tubes from Turkey.¹ On April 8, 2015, the Department published in the **Federal Register** the *Preliminary Results* for this review.² In the *Preliminary Results*, we invited interested parties to submit case and rebuttal briefs commenting on the preliminary results and to request a hearing.³ On May 8, 2015, we received case briefs from the Borusan Companies, the Government of Turkey (GOT), and the Toscelik Companies. We received no rebuttal briefs.

On April 8, 2015 the Borusan Companies requested a hearing. On June 1, 2015, the Borusan Companies withdrew their request for a hearing.

On June 16, 2015, the Department extended the deadline for the final results of this administrative review until October 5, 2015.⁴

Scope of Order

The products covered by this order are certain welded carbon steel pipe and tube with an outside diameter of 0.375 inch or more, but not over 16 inches, of any wall thickness (pipe and tube) from Turkey. These products are currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings as 7306.30.10, 7306.30.50, and 7306.90.10. Methodology

The Department conducted this review in accordance with section 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable during the POR, we determine that there is a subsidy, *i.e.*, a government-provided financial contribution that confers a benefit to the recipient, and that the subsidy is specific. See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and section 771(5A) of the Act regarding specificity. For a complete description of the methodology, see the Issues and Decision Memorandum.⁵

Analysis of Comments Received

All issues raised in the case briefs of the Borusan Companies, the GOT, and the Toscelik Companies are addressed in the Issues and Decision Memorandum. A list of the issues raised and to which we responded in the Issues and Decision Memorandum, is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Rescission of the 2013 Administrative Review, in Part

The Department did not receive any information from interested parties or U.S. Customs and Border Protection (CBP) that was contrary to the claims of the Erbosan Companies and the Yucel Companies of no sales, shipments, or entries of subject merchandise to the United States during the POR after we indicated our intent to rescind the administrative review. Accordingly, based on record evidence, we determine that the Erbosan Companies and the Yucel Companies did not ship subject

merchandise to the United States during the POR. Therefore, in accordance with 19 CFR 351.213(d)(3), and consistent with our practice,⁶ we are rescinding the review for the Erbosan Companies and the Yucel Companies.

Final Results of Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated an individual subsidy rate for the mandatory respondent, the Borusan Companies. Because the Borusan Companies are the sole mandatory

respondent, we assigned to those companies not selected for individual review, the rate calculated for the Borusan Companies. As a result of this review, we determine the listed net subsidy rates for January 1, 2013, through December 31, 2013:

Company	Net subsidy rate (percent)
Borusan Group, Borusan Holding, A.S. (Borusan Holding), Borusan Mannesmann Boru Sanayi ve Ticaret A.S. (Borusan), Borusan Istikbal Ticaret T.A.S. (Istikbal), and Borusan Lojistik Dagitim Pepolama Tasimacilik ve Tic A.S. (Borusan Lojistik) (collectively, the Borusan Companies).	0.91 <i>ad valorem</i> .
Umran Celik Born Sanayii A.S. (also known as Umran Steel Pipe Inc.) (Umran)	0.91 <i>ad valorem</i> .
Guyen Steel Pipe (also known as Guyen Celik Born San. Ve Tic. Ltd.) (Guyen)	0.91 <i>ad valorem</i> .
Toscelik Profil ve Sac Endustrisi A.S. (Toscelik Profil), Toscelik Metal Ticaret AS., and Tosyali Dis Ticaret AS. (Tosyali) (collectively, the Toscelik Companies).	0.91 <i>ad valorem</i> .

Assessment Rates/Cash Deposits

In accordance with 19 CFR 351.212(b)(2), the Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review to liquidate shipments of subject merchandise produced and/or exported by respondents listed above entered, or withdrawn from warehouse, for consumption on or after January 1, 2013, through December 31, 2013.

For the Erbosan Companies and Yucel Companies, the rescinded companies, countervailing duties shall be assessed at rates equal to the rates for the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice.

Pursuant to section 751(a)(2)(C) of the Act, the Department also intends to instruct CBP to collect cash deposits of estimated CVDs, in the amounts shown above for each of the respective companies shown above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most-recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative

protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation which is subject to sanction.

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 5, 2015.
