We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collections: The export, temporary import, and brokering of defense articles, defense services, and related technical data are licensed by the Directorate of Defense Trade Controls (DDTC) in accordance with the International Traffic in Arms Regulations ("ITAR," 22 CFR 120–130) and Section 38 of the Arms Export Control Act. Those who manufacture or export or temporarily import defense articles, defense services, and related technical data, or the brokering thereof, must register with the Department of State. Persons desiring to engage in export, temporary import, and brokering activities must submit an application or written request to conduct the transaction to the Department to obtain a decision whether it is in the interests of U.S. foreign policy and national security to approve the transaction. Also, registered brokers must submit annual reports regarding all brokering activity that was transacted, and registered manufacturers and exporter must maintain records of defense trade activities for five years.

- **1405–0002, Statement of Registration:** The Directorate of Defense Trade Controls (DDTC) is responsible for the collection of registration fees from persons in the business of manufacturing, exporting, and/or brokering defense articles or defense services.

- **1405–0141, Annual Brokering Report:** In accordance with Part 129 of the International Traffic in Arms

Regulations, U.S. and foreign persons required to register as a broker shall provide annually a report to DDTC enumerating and describing brokering activities by quantity, type, U.S. dollar value, purchaser/recipient, and license number for approved activities and any exemptions utilized for other covered activities.

- **1405–0142, Brokering Prior Approval (License):** In accordance with Part 129 of the ITAR, U.S. and foreign persons who wish to engage in ITAR-controlled brokering activity of defense articles and defense services must first register with DDTC. Brokers must then submit a written request for approval to DDTC and receive DDTC's consent prior to engaging in such activities unless exempted.

- **1405–0173, Request to Change End User, End Use and/or Destination of Hardware:** This information collection is used to request DDTC approval prior to any sale, transfer, transshipment, or disposal, whether permanent or temporary, of classified or unclassified defense articles to any end user, end use, or destination other than as stated on a license or other approval.

- **1405–0174, Request for an Advisory Opinion:** A Request for Advisory Opinion is submitted when an exporter wants an opinion from the Directorate of Defense Trade Controls on whether it would likely grant a license or other approval for an export transaction involving defense articles and defense services.

- **1405–0179, Voluntary Disclosures:** Section 127.12 of the International Traffic in Arms Regulations (ITAR) encourages the voluntary disclosure of information to the Directorate of Defense Trade Controls by persons who believe they may have violated any provision of the Arms Export Control Act (AECA), ITAR, or any order, license, or other authorization issued under the AECA.

Methodology: This information collection may be sent to the Directorate of Defense Trade Controls via the following methods: Electronically or mail.

Dated: October 5, 2015.

Lisa V. Aguirre,

Office of Defense Trade Controls Management, Bureau of Political-Military Affairs, U.S. Department of State.
