SUPPLEMENTARY INFORMATION:

Background

AMS published the USDA organic regulations final rule in the **Federal Register** on December 21, 2000 (65 FR 80637), which established the USDA National Organic Program (NOP). This program provides the national standards governing the marketing of organically produced agricultural products. Establishing the national standards facilitated domestic and international marketing of organic fresh and processed products, and assured consumers that such products meet consistent, uniform standards. After a periodic regulation review, AMS

determined that several minor changes need to be inserted into the USDA organic regulations. This document makes these technical corrections which mostly involve word changes, citation changes and updates to program information.

9 CFR Part 201

RIN 0580-AB23

Suspension of Flock Delivery and Stages of Poultry Production

AGENCY: Grain Inspection, Packers and Stockyards Administration, USDA.

ACTION: Final rule.

SUMMARY: This final rule removes certain regulations promulgated under the Packers and Stockyards Act, 1921 (P&S Act). Under the authority granted to the Secretary of Agriculture (Secretary) and delegated to the Grain Inspection, Packers and Stockyards Administration (GIPSA), GIPSA is authorized to issue regulations necessary to carry out the provisions of the P&S Act. As directed by Congress in Section 731, Division A, of the Consolidated and Further Continuing Appropriations Act, 2015, GIPSA is rescinding certain regulations issued under the P&S Act. GIPSA is exercising the good cause exceptions provided by the Administrative Procedure Act to forgo notice-and-comment rulemaking and proceed directly to a final rule, because notice and comment rulemaking is impracticable and unnecessary since Congress has ordered the rescission of these specific sections.

DATES: Effective February 5, 2015.

FOR FURTHER INFORMATION CONTACT: S. Brett Offutt, Director, Litigation and Economic Analysis Division, P&SP, GIPSA, 1400 Independence Ave. SW., Washington, DC 20250-3646, (202) 720-7363, *s.brett.offutt@usda.gov*.

Since notice and comment is unnecessary and impracticable, GIPSA is exercising the good cause exceptions provided by the Administrative Procedure Act to forgo notice-and-comment rulemaking and proceed directly to a final rule to rescind sections 201.2(o), 201.215(a) and 201.3(a) from title 9 of the Code of Federal Regulations. As part of this final rule, we are also correcting the authority citation for Part 201.
