

equipment or that DOE should address in the NOPR.

DOE welcomes all interested parties to submit in writing by December 10, 2015 comments, data, and other information on matters addressed in the TSD and on other matters relevant to consideration of energy conservation standards for pool heaters.

After the closing of the comment period, DOE will consider all timely-submitted comments and additional information obtained from interested parties, as well as information obtained through further analyses. Afterward, DOE will publish either a determination that standards for electric pool heaters need not be established or a NOPR proposing to establish those standards. The NOPR would include proposed energy conservation standards for the products covered by the rulemaking, and members of the public would be given an opportunity to submit written and oral comments on the proposed standards.

A. Submission of Comments

DOE will accept comments, data, and other information regarding this rulemaking no later than the date provided at the beginning of this document. Please submit comments, data, and other information as provided in the **ADDRESSES** section. Submit electronic comments in WordPerfect, Microsoft Word, PDF, or text (ASCII) file format and avoid the use of special characters or any form of encryption. Comments in electronic format should be identified by the Docket Number EERE-2015-BT-STD-0003 and/or RIN 1904-AD49 and, wherever possible, carry the electronic signature of the author. No telefacsimiles (faxes) will be accepted.

Pursuant to 10 CFR 1004.11, any person submitting information that he or she believes to be confidential and exempt by law from public disclosure should submit two copies: One copy of the document including all the information believed to be confidential and one copy of the document with the information believed to be confidential deleted. DOE will make its own determination as to the confidential status of the information and treat it according to its determination.

Factors of interest to DOE when evaluating requests to treat submitted information as confidential include: (1) A description of the items; (2) whether and why such items are customarily treated as confidential within the industry; (3) whether the information is generally known by or available from other sources; (4) whether the information has previously been made

available to others without obligation concerning its confidentiality; (5) an explanation of the competitive injury to the submitting person which would result from public disclosure; (6) a date upon which such information might lose its confidential nature due to the passage of time; and (7) why disclosure of the information would be contrary to the public interest.

V. Approval of the Office of the Secretary

The Secretary of Energy has approved publication of this notice of data availability of the preliminary technical support document.

Issued in Washington, DC, on October 15, 2015.

Kathleen B. Hogan,

Deputy Assistant Secretary for Energy Efficiency, Energy Efficiency and Renewable Energy.

Petition Requesting Rulemaking on Products Containing Organohalogen Flame Retardants; Notice of Extension of Comment Period; Notice of Opportunity for Oral Presentation of Comments

AGENCY: U.S. Consumer Product Safety Commission.

ACTION: Extension of comment period and notice of opportunity for oral presentation of comments.

SUMMARY: The United States Consumer Product Safety Commission ("Commission" or "CPSC") on August 19, 2015 published a notice that the Commission received a petition for rulemaking under the Federal Hazardous Substances Act ("FHSA") regarding additive organohalogen flame retardants. The notice invited the public to submit written comments concerning the petition by October 19, 2015. The Commission has received two requests to extend the comment period. In response to these requests, the Commission is extending the comment period to January 19, 2016. Additionally, the Commission announces that there will be an opportunity for interested persons to present oral comments on the petition.

DATES: The comment period for the proposed rule published August 19, 2015 (80 FR 50238), is extended. Submit comments by January 19, 2016. The meeting for interested persons to present oral comments on the petition will begin at 10 a.m., December 9, 2015, at 4330 East-West Highway, Bethesda, MD 20814. Requests to make oral presentations and the written text of any oral presentations must be received by the Office of the Secretary not later than 5 p.m. Eastern Standard Time (EST) on December 2, 2015.

ADDRESSES: You may submit comments, identified by Docket No. CPSC-2015-0022, by any of the following methods:

Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: <http://www.regulations.gov>. Follow the instructions for submitting comments.

The Commission does not accept comments submitted by electronic mail (email), except through www.regulations.gov. The Commission encourages you to submit electronic comments by using the Federal eRulemaking Portal, as described above.

Written Submissions: Submit written submissions by mail/hand delivery/courier to: Office of the Secretary, Consumer Product Safety Commission, Room 820, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7923.

Instructions: All submissions received must include the agency name and docket number for this proposed rulemaking. All comments received may be posted without change, including any personal identifiers, contact information, or other personal information provided, to: <http://www.regulations.gov>. Do not submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If furnished at all, such information should be submitted in writing.

Docket: For access to the docket to read background documents or comments received, go to: <http://www.regulations.gov>, and insert the docket number, CPSC-2015-0022, into the "Search" box, and follow the prompts. A copy of the petition is available at <http://www.regulations.gov> under Docket No. CPSC-2015-0022, Supporting and Related Materials.

FOR FURTHER INFORMATION CONTACT: For information about the procedure to make an oral presentation, contact Rockelle Hammond, Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7923.

SUPPLEMENTARY INFORMATION:

A. Background

On July 1, 2015, the Commission received a petition requesting that the Commission initiate rulemaking under the FHSA to declare several categories of products containing additive organohalogen flame retardants to be "banned hazardous substances." The petition was filed by Earthjustice and the Consumer Federation of America, which are joined by American Academy of Pediatrics, American Medical Women's Association, Consumers Union, Green Science Policy Institute, International Association of Fire Fighters, Kids in Danger, Philip Landrigan, M.D., M.P.H., League of United Latin American Citizens, Learning Disabilities Association of America, and Worksafe.

B. Extension of Comment Period

On August 19, 2015, the Commission issued a notice that the Commission received the petition, and in the document, invited submission of written comments concerning the petition. 80 FR 50238. The Commission has received two requests to extend the comment period 90 days, due to the breadth and complexity of issues raised in the petition. The Commission has considered the requests and is extending the comment period until January 19, 2016.

C. Opportunity for Oral Presentation of Comments

The Commission is providing a forum for oral presentations concerning the petition regarding additive organohalogen flame retardants. See the information under the headings **DATES** and **ADDRESSES** at the beginning of this document for information on making requests to give oral presentations at the meeting.

Participants should limit their presentations to approximately 10 minutes, exclusive of any periods of questioning by the Commissioners or CPSC staff. To prevent duplicative presentations, groups will be directed to designate a spokesperson. The Commission reserves the right to limit the time further for any presentation and impose restrictions to avoid excessive duplication of presentations.

Dated: October 15, 2015.
