Quarterly Status Report of Water Service, Repayment, and Other Water-Related Contract Actions

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice.

SUMMARY: Notice is hereby given of contractual actions that have been proposed to the Bureau of Reclamation (Reclamation) and are new, discontinued, or completed since the last publication of this notice. This notice is one of a variety of means used to inform the public about proposed contractual actions for capital recovery and management of project resources and facilities consistent with section 9(f) of the Reclamation Project Act of 1939. Additional announcements of individual contract actions may be published in the **Federal Register** and in newspapers of general circulation in the areas determined by Reclamation to be affected by the proposed action.

ADDRESSES: The identity of the approving officer and other information pertaining to a specific contract proposal may be obtained by calling or writing the appropriate regional office at the address and telephone number given for each region in the **SUPPLEMENTARY INFORMATION** section.

FOR FURTHER INFORMATION CONTACT:

Michelle Kelly, Reclamation Law Administration Division, Bureau of Reclamation, P.O. Box 25007, Denver, Colorado 80225–0007; telephone 303–445–2888.

SUPPLEMENTARY INFORMATION: Consistent with section 9(f) of the Reclamation Project Act of 1939, and the rules and regulations published in 52 FR 11954, April 13, 1987 (43 CFR 426.22), Reclamation will publish notice of proposed or amendatory contract actions for any contract for the delivery of project water for authorized uses in newspapers of general circulation in the affected area at least 60 days prior to contract execution. Announcement may be in the form of news releases, legal notices, official letters, memorandums, or other forms of written material. Meetings, workshops, and/or hearings may also be used, as appropriate, to provide local publicity. The public participation procedures do not apply to proposed contracts for the sale of surplus or interim irrigation water for a term of 1 year or less. Either of the contracting parties may invite the public to observe contract proceedings. All public participation procedures will be coordinated with those involved in complying with the National Environmental Policy Act. Pursuant to the "Final Revised Public Participation Procedures" for water resource-related contract negotiations, published in 47 FR 7763, February 22, 1982, a tabulation is provided of all proposed contractual actions in each of the five Reclamation regions. When contract negotiations are completed, and prior to execution, each proposed contract form must be approved by the Secretary of the Interior, or pursuant to delegated or redelegated authority, the Commissioner of Reclamation or one of the regional directors. In some instances, congressional review and approval of a report, water rate, or other terms and conditions of the contract may be involved.

Public participation in and receipt of comments on contract proposals will be facilitated by adherence to the following procedures:

1. Only persons authorized to act on behalf of the contracting entities may negotiate the terms and conditions of a specific contract proposal.

2. Advance notice of meetings or hearings will be furnished to those parties that have made a timely written request for such notice to the appropriate regional or project office of Reclamation.

3. Written correspondence regarding proposed contracts may be made available to the general public pursuant to the terms and procedures of the Freedom of Information Act, as amended.

4. Written comments on a proposed contract or contract action must be submitted to the appropriate regional officials at the locations and within the time limits set forth in the advance public notices.

5. All written comments received and testimony presented at any public hearings will be reviewed and summarized by the appropriate regional office for use by the contract approving authority.

6. Copies of specific proposed contracts may be obtained from the appropriate regional director or his or her designated public contact as they become available for review and comment.

7. In the event modifications are made in the form of a proposed contract, the appropriate regional director shall determine whether republication of the notice and/or extension of the comment period is necessary.

Factors considered in making such a determination shall include, but are not limited to, (i) the significance of the modification, and (ii) the degree of public interest which has been expressed over the course of the negotiations. At a minimum, the regional director will furnish revised contracts to all parties who requested the contract in response to the initial public notice.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined to terminate the investigation as to the remaining respondents, LaRose Industries, LLC d/b/a Cra-Z-Art (“LaRose”) and MEGA Brands, Inc. (“MEGA”), based upon consent order stipulations and settlement agreements. The Commission has entered consent orders with respect to LaRose and MEGA.

FOR FURTHER INFORMATION CONTACT: Cathy Chen, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW.,

Washington, DC 20436, telephone (202) 205–2392. Copies of non-confidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436, telephone (202) 205–2000. General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 16, 2015, based on a complaint filed by LEGO A/S of Billund, Denmark; LEGO System A/S of Billund, Denmark; and LEGO Systems, Inc. of Enfield, Connecticut. 80 FR 13629–30 (March 16, 2015). The complaint alleged violations of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain toy figurines and toy sets containing the same by reason of infringement of four U.S. design patents and four registered U.S. copyrights. The notice of investigation named as respondents LaRose; MEGA; and Best-Lock Construction Toys, Inc., of Miami, Florida (“Best-Lock”). Best-Lock has been terminated from the investigation based on a consent order. *See* Notice of a Commission Determination Not to Review an Initial Determination Terminating the Investigation as to Respondent Best-Lock Construction Toys, Inc., Based on a Consent Order Stipulation and Proposed Consent Order; Issuance of Consent Order (June 19, 2015). The Office of Unfair Import Investigations was also named as a party.

On July 9, 2015, Complainants and LaRose filed a joint motion to terminate LaRose based on a consent order stipulation, a proposed consent order, and a settlement agreement. On July 22, 2015, the investigative attorney filed a response in conditional support of the motion provided that the movants submit a revised version of the public settlement agreement that contained fewer redactions. On July 31, 2015, the ALJ ordered the movants to file a revised version of the public settlement

agreement, which the movants complied with on August 24, 2015. *See* Order Nos. 18 and 21. On August 26, 2015, the ALJ granted the joint motion as an initial determination (“ID”). *See* Order No. 21.

On July 28, 2015, Complainants and MEGA filed a renewed joint motion to terminate the investigation as to MEGA based on a consent order stipulation, a proposed consent order, and a settlement agreement. On August 21, 2015, complainants and MEGA jointly submitted a revised consent order stipulation and proposed consent order. The Investigative Attorney did not oppose the renewed motion to terminate based in part on the August 21, 2015, revised consent order stipulation and proposed consent order. On August 26, 2015, the ALJ ordered the movants to file a revised version of the public settlement agreement, which the movants complied with on August 31, 2015. *See* Order Nos. 22 and 23. On September 3, 2015, the ALJ granted the renewed joint motion as an ID. *See* Order No. 23.

The Commission determined to review the IDs on September 18, 2015, and October 1, 2015, respectively, because the consent order stipulations and the proposed consent orders did not comply with Commission Rule 210.21(c). The moving parties were requested to file with the Commission revised versions of the consent order stipulations and proposed consent orders in compliance with that Rule. On October 7, 2015, LaRose and MEGA submitted revised consent order stipulations and revised proposed consent orders in compliance with Rule 210.21(c).

The Commission has determined to terminate the investigation in its entirety, and to issue consent orders with respect to LaRose and MEGA.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: October 21, 2015.

Lisa R. Barton,

Secretary to the Commission.
