

invites the general public and other Federal agencies to take this opportunity to comment on the following information collection. Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before April 10, 2015. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

Privacy Act System of Records

AGENCY: Federal Communications Commission.

ACTION: Notice; one new Privacy Act system of records.

SUMMARY: The Federal Communications Commission (FCC or Commission or Agency) proposes to add a new system of records, FCC/CGB-4, "Internet-based Telecommunications Relay Service-User Registration Database (ITRS-URD) Program." The FCC's Consumer and Governmental Affairs Bureau (CGB) will use the information contained in the ITRS-URD Program's system of records to cover the personally identifiable information (PII) that is collected, used, stored, and maintained as part of the management, operations, and functions of the ITRS-URD's Program's database(s). The ITRS-URD Program, which is administered under contract with the FCC, is a database registration system that provides a necessary interface for multiple services, which include, but are not limited to Internet-based Telecommunications Relay Services (ITRS) such as VRS,¹ IP Relay,² and IPCTS,³ for individuals who are deaf, deaf-blind, hard of hearing, and/or have speech disabilities, and who are eligible under the Americans with Disabilities Act (ADA) and who have registered to subscribe to/participate in the ITRS-URD Program's services. These various forms of Telecommunications Relay Services (TRS) allow persons who are deaf, deaf-blind, hard of hearing, and/or have a speech disability to engage in communication by wire or radio with one or more individuals, in a manner that is functionally equivalent to the ability of a hearing individual who does not have a speech disability to

communicate using voice communication services by wire or radio.

DATES: Submit written comments concerning this new system of records on or before March 11, 2015. The Administrator, Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB), which has oversight responsibility under the Privacy Act to review the system of records, and Congress may submit comments on or before March 23, 2015. The proposed new system of records will become effective on March 23, 2015 unless the FCC receives comments that require a contrary determination. The Commission will publish a document in the **Federal Register** notifying the public if any changes are necessary. As required by 5 U.S.C. 552a(r) of the Privacy Act, the FCC is submitting reports on this proposed new system to OMB and Congress.

ADDRESSES: Address comments to Leslie F. Smith, Privacy Analyst, Information Technology (IT), Room 1-C216, Federal Communications Commission (FCC), 445 12th Street SW., Washington, DC 20554, or via the Internet at Leslie.Smith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: Leslie F. Smith, Information Technology (IT), Room 1-C216, Federal Communications Commission (FCC), 445 12th Street SW., Washington, DC 20554, (202) 418-0217, or via the Internet at Leslie.Smith@fcc.gov.

SUPPLEMENTARY INFORMATION: As required by the *Privacy Act of 1974*, as amended, 5 U.S.C. 552a(e)(4) and (e)(11), this document sets forth notice of the proposed new system of records maintained by the FCC. This notice is a summary of the more detailed information about the proposed new system of records, which may be obtained or viewed pursuant to the contact and location information given above in the **ADDRESSES** section. The purpose for establishing this new system of records, FCC/CGB-4, "ITRS-URD," is to cover the PII of individuals in the ITRS-URD Program's database(s) who are eligible to register to subscribe to/participate in the ITRS-URD Program's services. The ITRS-URD Program, which is administered under contract with the FCC, is a database registration system that provides a necessary interface for multiple services, including, but not limited to ITRS, individuals who are deaf, deaf-blind, hard of hearing, and/or have speech disabilities and who are eligible under the ADA. These various Telecommunications Relay Services allow people with hearing or speech

disabilities (or who are deaf-blind) to place and receive calls.

This notice meets the requirement documenting the proposed new system of records that is to be added to the systems of records that the FCC maintains, and provides the public, OMB, and Congress with an opportunity to comment.
