Farm Service Agency

Title: Measurement Service Records.

OMB Control Number: 0560-0260.

Summary of Collection: This collection of information is authorized by 7 CFR part 718 and described in FSA Handbook 2-CP. If a producer requests measurement services, it becomes necessary for the producer to provide certain information which is collected on the FSA-409, Measurement Service or 409 A, Measurement Service Request Register. The collection of this information is necessary to fulfill the producer's request for measurement services. Producers may request acreage or production measurement services.

Need and Use of the Information: The Farm Service Agency (FSA) will collect the following information that the producer is required to provide on the FSA-409 and FSA 409 A: farm serial number, program year, farm location, contact person, and type of service request (acreage or production). The collected information is used to create a record of measurement service requests and cost to the producer.

Description of Respondents: Farms.

Number of Respondents: 135,000.

Frequency of Responses: Reporting: On occasion; Weekly; Monthly.

Total Burden Hours: 168,750.

Farm Service Agency

Title: Biofuel Infrastructure

Partnership (BIP) Grants to States.

OMB Control Number: 0560-0284.

Summary of Collection: The Farm Service Agency (FSA) is administering the Biofuel Infrastructure Partnership (BIP) on behalf of the Commodity Credit Corporation (CCC). This information collection is needed for FSA to identify eligible States for blender pump funding to encourage increased ethanol use. FSA requires each State interested in a grant to submit an application to FSA on a form specified by FSA. States will be required to report on the funding distribution, which may require third party reporting depending how the States distribute the funds. FSA announced the availability of competitive grants to fund States, the Commonwealth of Puerto Rico, and Washington, DC with respect to activities designed to expand the infrastructure for renewable fuels. The goal is for grantees to provide funds on a one-to-one basis to receive matching CCC funds. The funding will be provided under the authority in section 5(e) of USDA's CCC Charter Act (15 U.S.C. 714c(e)).

Need and Use of the Information: The applicant will provide the following information in an objective work plan to show logical connections between the different project elements: Project title, goal, year, objectives, problem statement, results expected, benefits expected, criteria for results and benefits expected, activities, position performing the activity, and time period. The information is used by FSA to determine whether participants meet the eligibility requirements to be a recipient of grant funds. BIP participants will provide to FSA a mid-year report that includes information on services provided during the preceding six months, and an annual report to FSA that includes the goals and accomplishments of the program, program activities and outcomes, and financial status report. Lack of adequate information to make the determination could result in the improper administration and appropriation of Federal grant funds.

Description of Respondents: State, Local or Tribal Government.

Number of Respondents: 36.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 540.

Food and Nutrition Service

Title: Evaluation of Supplemental Nutrition Assistance Program (SNAP) Employment and Training (E&T) Pilots.

OMB Control Number: 0584-NEW.

Summary of Collection: The SNAP Employment and Training (E&T) program provides assistance to unemployed and underemployed clients in the form of job search, job skills training, education (basic, post-secondary, vocational), work experience

or training and workfare. The Agriculture Act of 2014 (Pub. L. 113–79, Section 4022), authorized grants for up to 10 pilot sites to develop and rigorously test innovative SNAP E&T strategies for engaging more SNAP work registrants in employment, increasing participants' earnings and reducing reliance on public assistance.

Need and Use of the Information: An evaluation of the pilot sites will be critical in helping Congress and FNS identify strategies that effectively assist SNAP participants to succeed in the labor market and become self-sufficient. The data collected for this evaluation will be used for implementation, impact, participant and cost-benefit analyses for each pilot site.

Description of Respondents: Individual/Households; Business or other for-Profit; Not-for-profit institutions; State, Local, or Tribal Government.

Number of Respondents: 54,820.

Frequency of Responses: Reporting: Annually.

Total Burden Hours: 41,765.
