Information Collection Request Title: Evaluation of the *Second Decade Project* Community Planning Guide Abstract: The Office of the Assistant Secretary for Health (OASH) is requesting approval from the Office of Management and Budget (OMB) for an evaluation of the *Second Decade Project* Community Planning Guide.

OASH has a long history of collaborating with communities to improve adolescent health outcomes. To further help communities build an environment that promotes adolescent health, OASH recently developed Promoting Health and Healthy Development in the Second Decade of Life: A Planning Guide for Communities (“the Guide”). The purpose of the Guide is to provide an easy to follow tool that community leaders can use to (1) establish a community coalition with

broad membership, and (2) develop a community plan for improving adolescent health and well-being that includes multi-impact strategies. To understand whether and how community leaders are able to use the Guide to achieve these two goals, OASH needs information about the Guide’s utility and effectiveness. The evaluation of the Second Decade Project Community Planning Guide (“the evaluation”) is intended to support the goals of OASH’s Second Decade Project of helping community leaders incorporate the needs of children, adolescents and young adults in community growth and development plans, and to improve outcomes of young adults and adolescents. Five communities will participate in the piloting and evaluation of the Guide. The evaluation will provide OASH with critical information regarding the components of the Guide that community leaders found most useful and effective in accomplishing their goals of improving adolescent health and wellbeing; the compilation and inclusiveness of the coalitions implementing the Guide; and the demographic and environmental context of these communities. While secondary data will be collected from sources such as the U.S. Census Bureau American Community Survey and Youth Risk Behavior and National Health Interview Surveys, these sources do not provide nuanced information needed by OASH

to understand the contexts in which the Guide is most effective.

Likely Respondents—Qualitative data will be collected through semi-structured telephone interviews and through focus groups. Telephone interviews will be conducted with community leaders (Community Leader Interview) in the five pilot sites to explore how the use of the Guide supported key leaders in their development of a diverse coalition and educating the community about issues facing adolescents. Focus groups will be conducted with coalition members (Coalition Member Focus Groups) from the five pilot sites to assess how the Guide facilitated the work of the coalition to develop a comprehensive community plan that addresses critically important adolescent health issues.

Quantitative data will be collected through Web-based surveys with coalition members from the five communities and with secondary stakeholders—specifically, adolescent health experts and state/local health department officials—selected by OASH. The Coalition Assessment Survey will assess coalition members’ perspectives on the usefulness and ease of implementing the Guide. The Secondary Stakeholder Survey will engage Adolescent Health researchers and practitioners to garner additional feedback and assessment of the Guide.

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

Form name	Number of respondents	Number of responses per respondent	Hours per response	Total burden hours
Community Leader Interview (CLI)	50	1	1	50
Coalition Member Focus Group (CFG)	80	1	1	80
Coalition Assessment Survey (CAS)	250	1	.25	63
Secondary Stakeholder Survey (SSS)	50	1	.5	25
Total	430	218

OASH specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency’s functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information

technology to minimize the information collection burden.

BILLING CODE 4150–28–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES
Solicitation of Nominations for Membership on the National Vaccine Advisory Committee
AGENCY: National Vaccine Program Office, Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services.
ACTION: Notice.
AUTHORITY: 42 U.S.C. 300aa–5, Section 2105 of the Public Health Service (PHS) Act, as amended. The National Vaccine

Advisory Committee (NVAC) is governed by the provisions of Public Law 92–463, as amended (5 U.S.C. Appendix 2), which sets forth standards for the formation and use of advisory committees.

SUMMARY: The National Vaccine Program Office (NVPO), a program office within the Office of the Assistant Secretary for Health, Department of Health and Human Services (HHS), is soliciting nominations of qualified candidates to be considered for appointment as public members to the NVAC. The activities of this Committee are governed by the Federal Advisory Committee Act (FACA). Management and support services of the NVAC and its activities are the responsibility of the NVPO.

The NVAC serves an advisory role, providing recommendations to the Assistant Secretary for Health in his/her capacity as the Director of the National Vaccine Program, on matters related to the Program's responsibilities. Specifically, the Committee studies and recommends ways to encourage the availability of an adequate supply of safe and effective vaccination products in the United States; and recommends research priorities and other measures to enhance the safety and efficacy of vaccines. The Committee also advises the Assistant Secretary for Health in the implementation of Sections 2102 and 2103 of the PHS Act; and identifies annually the most important areas of government and non-government cooperation that should be considered in implementing Sections 2102 and 2103 of the PHS Act.

DATES: All nominations for membership on the Committee must be received no later than 5:00 p.m. EDT on June 1, 2016, to the address listed below.

ADDRESSES: *Hardcopy nominations should be mailed or delivered to:* Bruce Gellin, M.D., M.P.H., Executive Secretary, NVAC, Office of the Assistant Secretary for Health, Department of Health and Human Services, 200 Independence Avenue SW., Room 715–H, Washington, DC 20201. Electronic nominations should be emailed to nvpo@hhs.gov.

FOR FURTHER INFORMATION CONTACT: Jennifer Gordon, Ph.D., Alternate Designated Federal Official, NVAC; Science Advisor, National Vaccine Program Office, Department of Health and Human Services, 200 Independence Avenue SW., Room 733G, Washington, DC 20201; (202) 260–6619; Jennifer.Gordon@hhs.gov.

A copy of the Committee charter which includes the NVAC's structure and functions, as well as a list of the

current membership, can be obtained by contacting Dr. Gordon or by accessing the NVAC Web site at: www.hhs.gov/nvpo/nvac.

SUPPLEMENTARY INFORMATION:

Committee Function, Qualifications, and Information Required: As part of an ongoing effort to enhance deliberations and discussions with the public on vaccine and immunization policy, nominations are being sought for interested individuals to serve on the NVAC. Committee members provide peer review, consultation, advice, and recommendations to the Assistant Secretary for Health, in his/her capacity as the Director of the National Vaccine Program, on matters related to the Program's responsibilities. Individuals selected for appointment to the NVAC will serve as voting members. The NVAC consists of 17 voting members: 15 public members, including the Chair, and two representative members. Individuals selected for appointment to the NVAC can be invited to serve terms of up to four years. Selection of members is based on candidates' qualifications to contribute to the accomplishment of NVAC's objectives. Interested candidates should demonstrate a willingness to commit time to NVAC activities and the ability to work constructively and effectively on committees.

Public Members: Public members are individuals who are appointed to the NVAC to exercise their own independent, best judgment on behalf of the government. It is expected that public members will discuss and deliberate in a manner that is free from conflicts of interest. Public members to the NVAC shall be selected from individuals who are engaged in vaccine research or the manufacture of vaccines, or who are physicians, members of parent organizations concerned with immunizations, representatives of state or local health agencies, or public health organizations.

Representative Members: Representative members are individuals who are appointed to the NVAC to provide the views of industry or a special interest group. While they may be experts in various topic areas discussed by the Committee, they should not present their own viewpoints, but rather those of the industry or special interest group they represent. NVAC representative members shall serve specifically to represent the viewpoints or perspectives of the vaccine manufacturing industry or groups engaged in vaccine research or the manufacture of vaccines.

This announcement is to solicit nominations of qualified candidates to

fill positions in the public member category of the NVAC, including positions that are scheduled to be vacated during the 2016 calendar year.

Travel reimbursement and compensation for services provided to the committee: All voting NVAC members, public and representatives, are authorized to receive the prescribed per diem allowance and reimbursement for travel expenses that are incurred to attend meetings and conduct authorized NVAC-related business, in accordance with standard government travel regulations. Members appointed to the NVAC as public members (see definition above) also are authorized to receive a stipend for services provided at public meetings of the Committee. All other services that are performed by the public members outside the Committee meetings shall be provided without compensation. Representative members (see definition above) will serve without compensation.

Expertise sought for the National Vaccine Advisory Committee: In accordance with the charter, persons nominated for appointment as members of the NVAC should be among authorities knowledgeable in areas related to vaccine safety, vaccine effectiveness, and vaccine supply. In order to enhance the diversity of expertise included in Committee discussions, NVPO is seeking nominations of individuals to serve on the NVAC as public members in the following disciplines/topic areas:

- Vaccine research and development, vaccine clinical trials, and vaccine regulatory science;
- vaccine safety and post-marketing surveillance;
- vaccine access and financing;
- health information technologies and immunization information systems;
- immunization program implementation and management;
- vaccine communications;

How to submit nominations: Nominations should be typewritten. The following information is required to be included in the package of material submitted for each individual being nominated for consideration: (1) A letter of nomination that clearly states the name and affiliation of the nominee, the basis for the nomination (*i.e.*, specific attributes which qualify the nominee for service in this capacity); and a statement that the nominee is willing to serve as a member of the Committee (2) the nominator's name, address and daytime telephone number, home and/or work address, telephone number, and email address; (3) a copy of the nominee's current curriculum vitae (no longer than ten pages); and (4) a short biographical

sketch (no more than 350 words). All required documentation must be received in order for a nomination to be considered. Please note that nominees will not receive updates on the status of their nomination. Information on nominees appointed to the Committee by the Department will be posted to the NVAC Web site (<http://www.hhs.gov/nvpo/nvac/roster/index.html>). Individuals can nominate themselves for consideration of appointment to the Committee. All nominations must include the required information. Incomplete nominations will not be processed for consideration. The names of federal employees should not be nominated for consideration of appointment to this Committee.

The Department makes every effort to ensure that the membership of HHS federal advisory committees is fairly balanced in terms of points of view represented and the committee's function. Every effort is made that a broad representation of geographic areas, gender, ethnic and minority groups, and the disabled are given consideration for membership on HHS federal advisory committees. Appointment to this Committee shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, disability, and cultural, religious, or socioeconomic status.

Individuals appointed to serve as public members of federal advisory committees are classified as special government employees (SGEs). SGEs are government employees for purposes of the conflict of interest laws. Therefore, individuals appointed to serve as public members of NVAC are subject to an ethics review. The ethics review is conducted to determine if the individual has any interests and/or activities in the private sector that may conflict with performance of their official duties as a member of the NVAC. Individuals appointed to serve as public members of the NVAC will be required to disclose information regarding financial holdings, consultancies, research grants and/or contracts, and the absence of an appearance of a loss of impartiality.

Dated: April 25, 2016.

Bruce Gellin,

Executive Secretary, National Vaccine Advisory Committee Deputy Assistant Secretary for Health, Director, National Vaccine Program Office.
