

a court decision that is not “in harmony” with a Department determination and must suspend liquidation of entries pending a “conclusive” court decision. The Court’s final judgment affirming the final remand redetermination constitutes the Court’s final decision which is not in harmony with the *AR1 Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending a final and conclusive court decision.

Amended Final Results of Review

Because there is now a final court decision, the Department is amending the *AR1 Final Results* with respect to the PRC-wide entity, which includes the ATM Single Entity, as follows:

Exporter	Weighted-average dumping margin (percent)
PRC-Wide Entity (which includes the ATM Single Entity)	82.12

In the event the Court’s ruling is upheld by a final and conclusive court decision, the Department will instruct the U.S. Customs and Border Protection to assess antidumping duties on unliquidated entries of subject merchandise based on the revised rate the Department determined and listed above.

Cash Deposit Requirements

Since the *AR1 Remand*, the Department has established a new cash deposit rate for the PRC-wide entity, which includes the ATM Single Entity.⁸ Therefore, the cash deposit rate for the PRC-wide entity does not need to be updated as a result of these amended final results.

Steel Wire Garment Hangers From the People’s Republic of China; 2014–2015; Partial Rescission of the Seventh Antidumping Duty Administrative Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On December 3, 2015, the Department of Commerce (“Department”) published a notice of initiation of an administrative review of the antidumping duty order on steel wire garment hangers from the People’s Republic of China (“PRC”). Based on M&B Metal Products Co., Ltd.’s (“Petitioner”) timely withdrawal of the requests for review of certain companies, we are now rescinding this administrative review with respect to 44 companies.

DATES: Effective January 19, 2016.

FOR FURTHER INFORMATION CONTACT: Jessica Weeks, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone (202) 482–4877.

Background

On October 1, 2015, the Department published a notice of “Opportunity to Request Administrative Review” of the antidumping order on steel wire garment hangers from the PRC.¹ In November 2015, the Department received multiple timely requests to conduct an administrative review of the antidumping duty order on steel wire garment hangers from the PRC.² Based upon these requests, on December 3, 2015, the Department published a notice of initiation of an administrative review of the *Order* covering the period October 1, 2014, to September 30, 2015.³ The Department initiated the administrative review with respect to 46 companies.⁴ On December 16, 2015, Petitioner withdrew its request for an

administrative review on 44 companies.⁵

Partial Rescission

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. All requests for administrative reviews on the 44 companies listed in the Appendix were withdrawn.⁶ Accordingly, we are rescinding this review, in part, with respect to these entities, in accordance with 19 CFR 351.213(d)(1).

This administrative review will continue with respect to Shanghai Wells Hanger Co., Ltd. and Hong Kong Wells Ltd.

Assessment

The Department will instruct U.S. Customs and Border Protection (“CBP”) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification to Importers

This notice serves as the only reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

⁵ See Letter to the Secretary of Commerce from Petitioner “Seventh Administrative Review of Steel Wire Garment Hangers from China—Petitioner’s Withdrawal of Review Request” (December 16, 2015).

⁶ As stated in *Change in Practice in NME Reviews*, the Department will no longer consider the non-market economy (“NME”) entity as an exporter conditionally subject to administrative reviews. See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

This notice also serves as a reminder to parties subject to administrative protective orders (“APO”) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested.
