The THSGP's allowable costs support efforts of tribes to build and sustain core capabilities across the prevention, protection, mitigation, response, and recovery mission areas.

The THSGP also plays an important role in the implementation of the National Preparedness System by supporting the building, sustainment, and delivery of core capabilities essential to achieving DHS FEMA's National Preparedness Goal of a secure and resilient Nation. Federally-recognized tribes are those tribes appearing on the list published by the Secretary of the Interior pursuant to the Federally Recognized Indian Tribe List Act of 1994 (Pub. L. 103-454) (25 U.S.C. 479a-1). "Directly eligible tribes" are defined in Section 2001 of the Homeland Security Act of 2002, as amended (Pub. L. 107-296) (6 U.S.C. 601).
