Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of this information collection:

1. *Type of Information Collection (check justification or form 83):*

Extension, without change, of a currently approved collection.

2. *The Title of the Form/Collection:* National Firearms Act (NFA)—Special Occupational Taxes (SOT).3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:**Form number (if applicable):* ATF Form 5630.5R, ATF Form 5630.5RC, and ATF Form 5630.7.*Component:* Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.4. *Affected public who will be asked or required to respond, as well as a brief abstract:**Primary:* Business or other for-profit. *Other (if applicable):* None.*Abstract:* ATF F 5630.7, NFA Special Tax Registration and Return National Firearms Act is completed and returned by businesses that are subject to Special Occupational Taxes under the National Firearms Act for either initial tax payment or business information changes. This form serves as both a return and a business registration. ATF F 5630.5R, NFA Special Tax Renewal Registration and Return and ATF F 5630.5RC, NFA Special Tax Location Registration Listing are preprinted forms sent to taxpayers for Special Occupation Taxes under the National Firearms Act. Taxpayers validate/correct the information and send the forms back with payment for the applicable tax year.5. *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 6,000 taxpayers will complete forms ATF F 5630.5R and ATF F 5630.5RC in approximately 20 minutes (10 minutes for each form). It is also estimated that 350 new taxpayers will complete ATF F 5630.7 in its entirety in approximately 15 minutes. The combined total number of respondents for this information collection is 6,350, while the combined total response time is 35 minutes.6. *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with ATF F 5630.5R and ATF F 5630.5RC is 2,000 hours. The total burden for ATF F 5630.7 is 88 hours. Therefore the estimated total public burden associated with this information collection is 2,088 hours which is equal to (6000 (# of respondents for ATF F 5630.5R and ATF F 5630.5RC) * .3333 (20 mins) + 350 (# of respondents for ATF F 5630.7) * .25 (15 mins)).*If additional information is required contact:* Melody Braswell, Department Clearance Officer, United States Department of Justice, Justice Management Division, Policy and Planning Staff, Two Constitution Square, 145 N Street NE., 3E.405A, Washington, DC 20530.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Access to Employee Exposure and Medical Records information collection requirements codified in regulations 29 CFR 1910.1020 that require an Occupational Safety and Health Act (OSH Act) covered employer to preserve and to provide access to records associated with workers' exposure to toxic chemicals and harmful physical agents. OSH Act sections 2(b)(9), 6, and 8(c) authorize this information collection. See 29 U.S.C. 651(b)(9), 655, and 657(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0065.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for

this collection is scheduled to expire on February 28, 2017. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on September 12, 2016 (81 FR 62766).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218-0065. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
