Finally, the Executive Secretariat will accept comments totaling six or fewer pages by facsimile ("fax") machine before the same deadline at (202) 663-4114. (This is not a toll-free number.) Receipt of fax transmittals will not be acknowledged, except that the sender may request confirmation of receipt by calling the Executive Secretariat staff at (202) 663-4070 (voice) or (202) 663-4074 (TTY). (These are not toll-free telephone numbers.) The EEOC will post online at <http://www.regulations.gov> all comments submitted via this Web site, in hard copy, or by fax to the Executive Secretariat. These comments will be posted without change, including any personal information you provide. However, the EEOC reserves the right to refrain from posting libelous or otherwise inappropriate comments including those that contain obscene, indecent, or profane language; that contain threats or defamatory statements; that contain hate speech directed at race, color, sex, national origin, age, religion, disability, or genetic information; or that promote or endorse services or products. All comments received, including any personal information provided, also will be available for public inspection during normal business hours by appointment only at the EEOC Headquarters Library, 131 M Street NE., Washington, DC 20507. Upon request, individuals who require assistance viewing comments will be provided appropriate aids such as readers or print magnifiers. FOR FURTHER INFORMATION CONTACT: Jamie Price, Federal Sector Programs, Office of Federal Operations, 131 M Street NE., Washington, DC 20507, (202) 663-4484 (voice); (202) 663-4593 (TTY).

SUPPLEMENTARY INFORMATION: The EEOC's Demographic Information on Federal Job Applicants form (OMB No. 3046-0046) is intended for use by federal agencies in gathering data on the race, ethnicity, sex, and disability status of job applicants. This form is used by the EEOC and other agencies to gauge progress and trends over time with respect to equal employment opportunity goals.

Pursuant to the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, and

OMB regulation 5 CFR 1320.8(d)(1), the Commission sought public comment on extending its form without change through a 60-day notice published October 20, 2016. Comments were invited on whether this collection would continue to enable it to:

(1) Evaluate whether the proposed data collection tool will have practical utility by enabling a federal agency to determine whether recruitment activities are effectively reaching all segments of the relevant labor pool in compliance with the laws enforced by the Commission and whether the agency's selection procedures allow all applicants to compete on a level playing field regardless of race, national origin, sex or disability status;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on applicants for federal employees who choose to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

One comment was received. The commenter was concerned that there is a severe under reporting in the federal government because both OPM's "Self Identification of Disability" SF256 Form and the "Demographic Information on Federal Job Applicants" form fail to consider the individual's privacy. The commenter believes that an anonymous collection of this data would result in a more accurate representation for all groups.

With respect to the Demographic Information on Federal Job Applicants form, EEOC believes that anonymity is addressed, as the form states in its first paragraph that it is not placed in the individual's personnel file or forwarded to the panel rating the applications, the selecting official, or anyone else that can affect the application. EEOC cannot address the comment as it relates to OPM's Form 256.
