Extension:

Rule 15c3-3, SEC File No. 270-087, OMB Control No. 3235-0078

³ The requested relief would apply to direct sales of shares in Creation Units by a Fund to a Fund of Funds and redemptions of those shares. Applicants, moreover, are not seeking relief from section 17(a) for, and the requested relief will not apply to, transactions where a Fund could be deemed an Affiliated Person, or a Second-Tier Affiliate, of a Fund of Funds because an Adviser or an entity controlling, controlled by or under common control with an Adviser provides investment advisory services to that Fund of Funds.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 15c3-3 (17 CFR 240.15c3-3), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*) ("Exchange Act"). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 15c3-3 requires that a broker-dealer that holds customer securities obtain and maintain possession and control of fully-paid and excess margin securities they hold for customers. In addition, the Rule requires that a broker-dealer that holds customer funds make either a weekly or monthly computation to determine whether certain customer funds need to be segregated in a special reserve bank account for the exclusive benefit of the firm's customers. It also requires that a broker-dealer maintain a written notification from each bank where a Special Reserve Bank Account is held acknowledging that all assets in the account are for the exclusive benefit of the broker-dealer's customers, and to provide written notification to the Commission (and its designated examining authority) under certain, specified circumstances. Finally, broker-dealers that sell securities futures products ("SFP") to customers must provide certain notifications to customers and make a record of any changes of account type.

A broker-dealer required to maintain the Special Reserve Bank Account prescribed by Rule 15c3-3 must obtain and retain a written notification from each bank in which it has a Special Reserve Bank Account to evidence the bank's acknowledgement that assets deposited in the Account are being held by the bank for the exclusive benefit of the broker-dealer's customers. In addition, a broker-dealer must immediately notify the Commission and its designated examining authority if it fails to make a required deposit to its Special Reserve Bank Account. Finally, a broker-dealer that effects transactions in SFPs for customers also will have paperwork burdens to make a record of each change in account type.

The Commission staff estimates a total annual time burden of 517,348 hours and an aggregate cost of \$1,433,254 to comply with the rule.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the

information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Self-Regulatory Organizations; Bats BZX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Related to Fees for Use on the Exchange's Equity Options Platform

March 10, 2017.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 1, 2017, Bats BZX Exchange, Inc. (the "Exchange" or "BZX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Exchange has designated the proposed rule change as one establishing or changing a member due, fee, or other charge imposed by the Exchange under Section 19(b)(3)(A)(ii) of the Act³ and

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 15 U.S.C. 78s(b)(3)(A)(ii).

Rule 19b-4(f)(2) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange filed a proposal to amend the fee schedule applicable to Members⁵ and non-members of the Exchange pursuant to BZX Rules 15.1(a) and (c).

The text of the proposed rule change is available at the Exchange's Web site at www.bats.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its fee schedule for its equity options platform ("BZX Options") to: (i) Decrease the standard rebate provided by fee code PF; (ii) increase the standard fee assessed by fee code NP; (iii) increase the enhanced rebate provided in Firm, Broker Dealer and Joint Back Office Non-Penny Pilot Add Volume Tier 3, under footnote 8; (iv) increase the discounted fee provided in the Non-Customer⁶ Non-Penny Pilot Take Volume Tier 1, under footnote 13; (v)

eliminate the existing Non-Customer Non-Penny Pilot Take Volume Tier 2, under footnote 13; and (vi) increase the discounted fee provided in the Non-Customer Non-Penny Pilot Take Volume Tier 3 (to be re-numbered as Tier 2), under footnote 13.

Decrease the Standard Rebate Provided by Fee Code PF

Currently, fee code PF of the Exchange's fee schedule sets forth the standard rebate of \$0.36 per contract for Firm,⁷ Broker Dealer,⁸ and Joint Back Office⁹ orders that add liquidity on the Exchange in Penny Pilot securities. The Exchange now proposes to reduce this standard rebate to \$0.26 per contract. The Exchange also proposes to update the Standard Rates table accordingly to reflect new standard rebate.

Increase the Standard Fee Assessed by Fee Code NP

Currently, fee code NP of the Exchange's fee schedule sets forth the standard fee of \$1.07 per contract for Non-Customer orders that remove liquidity on the Exchange in Non-Penny Pilot securities. The Exchange now proposes to increase this standard fee to \$1.10 per contract. The Exchange also proposes to update the Standard Rates table accordingly to reflect new standard fee.

Increase the Enhanced Rebate Provided in Firm, Broker Dealer and Joint Back Office Non-Penny Pilot Add Volume Tier 3, Under Footnote 8

Firm, Broker Dealer and Joint Back Office orders that add liquidity in Non-Penny Pilot securities yield fee code NF and are provided a standard rebate of \$0.30 per contract. Footnote 8 of the fee schedule sets forth three tiers, each providing enhanced rebates between \$0.45 and \$0.69 per contract to a Member's order that yields fee code NF upon satisfying monthly volume criteria. Under Tier 3, qualifying Members earn a rebate per share of \$0.69 on Firm, Broker Dealer and Joint Back Office orders that add liquidity in options in Non Penny Pilot securities. Currently, to qualify for this tier a

Member must have: (i) An ADV¹⁰ greater than or equal to 2.30% of average OCV;¹¹ and (ii) an ADAV¹² in Away Market Maker,¹³ Firm, Broker Dealer and Joint Back Office orders greater than or equal to 1.65% of average OCV. The Exchange proposes to increase the enhanced rebate provided by Tier 3 to \$0.82 per contract. The Exchange also proposes to update the Standard Rates table accordingly to reflect this new enhanced rebate.

Modifications to Non-Customer Non-Penny Pilot Take Volume Tiers Under Footnote 13

Non-Customer orders that yield fee code NP are charged a standard fee of \$1.07 per contract. Footnote 13 of the fee schedule sets forth three tiers, each providing reduced fees of either \$1.01 or \$1.02 per contract to a Member's order that yields fee code NP upon satisfying monthly volume criteria.

- Tier 1 offers a reduced fee of \$1.02 per share and currently requires that a Member has: (i) An ADAV in Customer¹⁴ orders greater than or equal to 0.80% of average OCV; (ii) an ADAV in Market Maker¹⁵ orders greater than or equal to 0.35% of average OCV; and (iii) on the Exchange's equity securities platform ("BZX Equities") an ADAV greater than or equal to 0.30% of average TCV. As amended, Tier 1 will offer a reduced fee of \$1.04 per share. The Exchange does not propose to modify the required criteria for this Tier as part of this filing.

- Tier 2 offers a reduced fee of \$1.02 per share and currently requires that a

- Tier 3 offers a reduced fee of \$1.01 per share and currently requires that a Member has an ADAV in Customer orders greater than or equal to 1.30% of average OCV. The Exchange proposes to re-number Tier 3 as Tier 2 based on the elimination of Tier 2 discussed above. Also, as amended, Tier 2 will offer a reduced fee of \$1.04 per share. The Exchange does not propose to modify the required criteria for this Tier as part of this filing.

Implementation Date

The Exchange proposes to implement the above changes to its fee schedule on March 1, 2017.¹⁶

2. Statutory Basis

The Exchange believes that the proposed rule changes are consistent with the objectives of Section 6 of the Act,¹⁷ in general, and furthers the objectives of Section 6(b)(4),¹⁸ in particular, as it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using its facilities. The Exchange also notes that it operates in a highly-competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. The proposed rule changes reflect a competitive pricing structure designed to incentivize market participants to direct their order flow to the Exchange.

Fee Codes PF and NP

The Exchange believes that its proposals to reduce the rebate provided by fee code PF and increase the fee provided by fee code NP are fair and equitable and reasonable because, such proposed fees and rebates remain consistent with pricing previously offered by the Exchange as well as competitors of the Exchange and do not represent a significant departure from the Exchange's general pricing structure and will allow the Exchange to earn additional revenue that can be used to offset the addition of new pricing incentives. Lastly, the proposed changes to fee codes PF and NP are not unfairly

discriminatory because they will apply equally to all Members.

Modifications to the Volume Discount Tier Rebates and Required Criteria

The Exchange believes that the proposed modifications to the tiered pricing structure are reasonable, fair and equitable, and non-discriminatory. The Exchange operates in a highly competitive market in which market participants may readily send order flow to many competing venues if they deem fees at the Exchange to be excessive or incentives provided to be insufficient. The proposed fee structure remains intended to attract order flow to the Exchange by offering market participants a competitive pricing structure. The Exchange believes it is reasonable to offer and incrementally modify incentives intended to help to contribute to the growth of the Exchange.

Volume-based pricing such as that proposed herein have been widely adopted by exchanges, including the Exchange, and are equitable because they are open to all Members on an equal basis and provide additional benefits or discounts that are reasonably related to: (i) The value to an exchange's market quality; (ii) associated higher levels of market activity, such as higher levels of liquidity provisions and/or growth patterns; and (iii) introduction of higher volumes of orders into the price and volume discovery processes.

The proposed modifications proposed herein are also intended to incentivize additional Members to send orders to the Exchange in an effort to qualify for the enhanced rebate or reduced fee made available by the tiers, in turn contributing to the growth of the Exchange. Thus, the Exchange believes that the proposed modifications to the tiered pricing structure is a reasonable, fair and equitable, and not an unfairly discriminatory allocation of fees and rebates, because it will provide Members with an incentive to reach certain thresholds on the Exchange by contributing a meaningful amount of order flow to the Exchange. The Exchange believes the proposed change to each tier's criteria is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposed amendment to its fee schedule would not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange does not believe that the proposed change represents a significant departure from previous pricing offered

by the Exchange or pricing offered by the Exchange's competitors. Additionally, Members may opt to disfavor the Exchange's pricing if they believe that alternatives offer them better value. Accordingly, the Exchange does not believe that the proposed change will impair the ability of Members or competing venues to maintain their competitive standing in the financial markets. The Exchange does not believe that the proposed change to the Exchange's standard fees, rebates and tiered pricing structure burdens competition, but instead, enhances competition as it is intended to increase the competitiveness of the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁹ and paragraph (f) of Rule 19b-4 thereunder.²⁰ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

fees for its recently adopted Qualified Contingent Cross Orders (“QCC”);⁶ and (ii) modify the criteria of two tiers related to orders executed in Bats Auction Mechanism (“BAM”).

Background of QCC

The Exchange recently filed to adopt functionality allowing participants on the Exchange the ability to submit to the Exchange Qualified Contingent Cross Orders, an order type offered by multiple other options exchanges.⁷ The operation of Qualified Contingent Cross Orders on the Exchange will be substantially similar in all material respects to the operation of such orders on such other exchanges.⁸

First, the Exchange proposes to adopt defined terms of “QCC” to refer to Qualified Contingent Cross Orders on the fee schedule. Second, the Exchange proposes to adopt the defined term “QCC Agency”, which would be defined as a Qualified Contingent Cross Order represented as agent by a Member on behalf of another party, and submitted for execution pursuant to Rule 21.1. Third, the Exchange proposes to adopt the defined term “QCC Contra”, which would be defined as a Qualified Contingent Cross Order submitted by a Member that will potentially execute against the QCC Agency Order pursuant to Rule 21.1.

Pricing of QCC Orders

The Exchange proposes to adopt four new fee codes in connection with QCC, which would be added to the Fee Codes and Associated Fees table of the Fee Schedule. These fee codes represent the fees applicable to QCC, as described below. As proposed, initially all executions in QCC orders would be provided free of charge.
