FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Frances Teel, NASA PRA Clearance Officer, NASA Headquarters, 300 E Street SW., Mail Code JF000, Washington, DC 20546, (202) 358–2225.

SUPPLEMENTARY INFORMATION:

I. Abstract

The National Aeronautics and Space Administration (NASA) Office of Diversity and Equal Opportunity and the Office of Procurement, in accordance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, requires grant awardees to submit an assurance of non-discrimination (NASA Form 1206) as part of their initial grant application package. The requirement for assurance of nondiscrimination compliance associated with federally assisted programs is long standing, derives from civil rights implementing regulations, and extends to the grant recipient's subgrantees, contractors, successors, transferees, and assignees. Grant selectees are required to submit compliance information triennially when their award period exceeds 36 consecutive months. This information collection will also be used to enable NASA to conduct post-award civil rights compliance reviews.

II. Method of Collection

Electronic.

III. Data

Title: NASA Assurance of Civil Rights Compliance.

OMB Number: 2700–0148.

Type of review: Reinstatement without change of an existing information collection.

Affected Public: Business, other for-profit, or not-for-profit.

Estimated Number of Respondents: 800.

Estimated Annual Responses: 250.

Estimated Time per Response: 4 hours.

Estimated Total Annual Burden

Hours: 16.6.

Estimated Total Annual Cost: \$120.

IV. Request for Comments

Comments are invited on:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of NASA, including whether the information collected has practical utility; (2) the accuracy of NASA's estimate of the burden (including hours and cost) of the proposed collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including automated collection techniques or the use of other forms of information technology. Comments submitted in response to this notice will be summarized and included in the request to OMB for approval of this information collection. They will also become a matter of public record.

Frances Teel,
NASA PRA Clearance Officer.

SUPPLEMENTARY INFORMATION:

Public Meetings

No prior registration is required to speak at the meetings. Reasonable accommodations are available upon request to the contact individual noted above.

NCPC Submission Guidelines

Federal and non-Federal agency applicants whose development proposals are subject to statutorily-mandated Commission plan and project review must submit their proposals to the Commission following a process laid out in the Submission Guidelines. The Submission Guidelines describe the content of submissions, the submission stages, and the coordination and review process governing submissions.

The proposed Submission Guidelines accomplish three primary objectives: (1) Create clear, accessible, and efficient guidelines that are responsive to applicant needs; (2) Align NCPC's review stages and National Environmental Policy Act requirements with those of applicant agencies to save time and resources in the planning process; and (3) Allow staff to exempt from Commission review certain minor projects based on specific criteria where there is no federal interest.

Authority: 40 U.S.C. 8721(e)(2) and 8722(a).

Dated: May 23, 2017.

Anne R. Schuyler,
General Counsel.
