Pursuant to Public Law 92–463, notice is hereby given of the combined meeting on February 1, 2017, of the Substance Abuse and Mental Health Services Administration's (SAMHSA) four National Advisory Councils: The SAMHSA National Advisory Council (NAC), the Center for Mental Health Services NAC, the Center for Substance Abuse Prevention NAC, the Center for Substance Abuse Treatment NAC; and the two SAMHSA Advisory Committees: Advisory Committee for Women's Services (ACWS) and the Tribal Technical Advisory Committee (TTAC).

SAMHSA's National Advisory Councils were established to advise the Secretary, Department of Health and Human Services (HHS); the Administrator, SAMHSA; and SAMHSA's Center Directors concerning matters relating to the activities carried out by and through the Centers and the policies respecting such activities.

Under Section 501 of the Public Health Service Act, the ACWS is statutorily mandated to advise the SAMHSA Administrator and the Associate Administrator for Women's Services on appropriate activities to be undertaken by SAMHSA and its Centers with respect to women's substance abuse and mental health services.

The SAMHSA TTAC serves as an advisory body to SAMHSA.

The theme for the February 1, 2017 combined meeting is *Translating Science to Service (and Back Again)*. It

ACTION: Reopening of comment period.

SUMMARY: The Coast Guard is reopening the comment period on the draft Alternative Planning Criteria (APC) National Guidelines. The APC Guidelines would provide the maritime industry with updated information on the development and submission of an APC request made pursuant to existing regulations. In addition to providing guidance to vessel owners and operators on developing APC requests, the APC Guidelines would also facilitate consistency in the review of APC requests by Coast Guard personnel. Comments previously submitted do not need to be submitted again.

DATES: Comments must reach the USCG by April 10, 2017.

ADDRESSES: You may submit comments identified by docket number USCG-2016-0437 using the Federal eRulemaking Portal at <http://www.regulations.gov>. Discussion

The U.S. Coast Guard Office of Marine Environmental Response Policy is continuing to refine its national-level policy to clarify APC submissions and processes pursuant to 33 CFR 155.1065 and 155.5067. We made a draft policy available for public comment on May 27, 2016 (81 FR 33685), and held a public meeting on September 21, 2016, during the public comment period (81 FR 54584). The Coast Guard is aware of APC's critical role in tank and non-tank vessel response preparedness, and therefore desires to thoroughly consider all facets of the policy's implementation. Although open to any comments, the Coast Guard is specifically interested in comments

related to the economic impact of the policy, especially in remote areas. Additionally, the Coast Guard is interested in public comment regarding the exercise and verification aspects of the policy.

The Coast Guard will consider all of the information received from public comments, including the comments received at the public meeting held on September 21, 2016, as well as written comments submitted during the open comment periods.

This notice is issued under authority of 5 U.S.C. 552.

Dated: January 4, 2017.

Joseph B. Loring,

Office of Marine Environmental Response Policy.
