Title: USDA Farmers Market Application.

OMB Control Number: 0581-0229.

Summary of Collection: The Agricultural Marketing Act of 1946 (7 U.S.C. 1622(n)) authorizes the Secretary to conduct services and to perform activities that will facilitate the marketing and utilization of agricultural products through commercial channels. The Agricultural Marketing Service (AMS) is authorized to implement established regulations and procedures under 7 CFR part 170 for AMS to operate the U.S. Department of Agriculture (USDA) Farmers Market, specify vendor criteria and selection procedures, and define guidelines to be used for governing the USDA Farmers Market annually.

Need and Use of the Information: Information will be collected on form TM-28, "USDA Farmers Market Application." The application was developed to ensure a uniform and fair process for deciding which farm operations are allowed to participate in the market, as well as ensure diversity of product for consumers. The Program has expanded to a year-round market. The Summer/Outdoor market season is from June through November and the Winter/Indoor market season operates from December through May. AMS will collect information to review the type of products available for sale and selecting participants for the annual market season. The information collected consists of (1) certification that the applicant is the owner or a representative of the farm or business; (2) name(s), address, telephone number and email address; (3) farm or business location; (4) types of products grown; (5) business practices; and (6) insurance coverage.

Two new forms are being included in this renewal submission. The "USDA Farmers Market Customer Satisfaction Questionnaire" to learn who our customers are and their preferences in order to improve the Farmers Market. Taught by USDA subject matter experts, free fruit and vegetable education classes called VegU take place weekly at the Farmers Market. The "VegUcation Questionnaire" will be used to learn how familiar attendees are with the
