

excellence. Excellence in Right-of-Way awardees have contributed to outstanding innovations that enhance the right-of-way professional's ability to meet the challenges associated with acquiring real property for Federal-aid projects.

Similarly, FHWA established the Excellence in Utility Relocation and Accommodation Awards Program to honor the use of innovative practices and outstanding achievements in reducing the cost or shortening the time required to accommodate or relocate utilities associated with highway improvement projects. The goal of the program is to showcase exemplary and innovative projects, programs, initiatives, and practices that successfully integrate the consideration of utilities in the planning, design, construction, and maintenance of transportation facilities.

Award: Anyone can nominate a project, process, person or group that has used Federal Highway Administration funding sources to make an outstanding contribution to transportation and the right-of-way or utility fields. The nominator is responsible for submitting via email, fax, or mail an application form that summarizes the outstanding accomplishments of the entry. FHWA will use the collected information to evaluate, showcase, and enhance the public's knowledge on addressing right-of-way challenges on transportation projects and on relocating and accommodating utilities associated with highway improvement projects. Nominations will be reviewed by an independent panel of judges from varying backgrounds. It is anticipated that awards will be given every two years. The winners are presented plaques at an awards ceremony.

Respondents: Anyone who has used Federal Highway funding sources in the fifty states, the District of Columbia and Puerto Rico.

Frequency: The information will be collected biennially.

Estimated Average Burden per Response: 6 hours per respondent per application.

Estimated Total Annual Burden

Hours: It is expected that the respondents will complete approximately 50 applications for an estimated total of 600 annual burden hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to

enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

Notice of Final Federal Agency Actions on Proposed Highway in California

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by the California Department of Transportation (Caltrans), pursuant to 23 U.S.C. 327.

SUMMARY: The FHWA, on behalf of Caltrans, is issuing this notice to announce actions taken by Caltrans that are final. The actions relate to a proposed highway project, State Route 242/Clayton Road Ramps Project, on State Route 242, in the City of Concord, in the County of Contra Costa, State of California. Those actions grant licenses, permits, and approvals for the project.

DATES: By this notice, the FHWA, on behalf of Caltrans, is advising the public of final agency actions subject to 23 U.S.C. 139(I)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed on or before December 18, 2017. If the Federal law that authorizes judicial review of a claim provides a time period of less than 150 days for filing such claim, then that shorter time period still applies.

FOR FURTHER INFORMATION CONTACT: California Department of Transportation, Attn: Cristin Hallissy, Environmental Branch, Chief Office of Environmental Analysis, MS-8B, 111 Grand Avenue, Oakland, CA 94612, (510) 622-8717, cristin.hallissy@dot.ca.gov, Normal Office Hours: 9-5, M-F.

SUPPLEMENTARY INFORMATION: Effective July 1, 2007, the Federal Highway Administration (FHWA) assigned, and

the California Department of Transportation (Caltrans) assumed, environmental responsibilities for this project pursuant to 23 U.S.C. 327. Notice is hereby given that the Caltrans has taken final agency actions subject to 23 U.S.C. 139(I)(1) by issuing licenses, permits, and approvals for the following highway project in the State of California: State Route (SR) 242/Clayton Road Ramps Project: Caltrans proposes to modify the existing partial interchanges at SR 242 at Clayton Road and Concord Avenue, in the City of Concord. The SR 242/Clayton Road interchange would be reconfigured from a partial interchange to provide new northbound and southbound SR 242 on- and off-ramps. Proposed local roadway improvements include a combination of additional travel lanes and the extension of left-turn pockets on Willow Pass Road, Concord Avenue, Franquette Avenue, Clayton Road, Market Street, and Commerce Avenue, in the City of Concord. The project will relieve local street congestion. The actions by the Federal agencies, and the laws under which such actions were taken, are described in the Final Initial Study with Negative Declaration/Environmental Assessment with Finding of No Significant Impact (IS-ND/EA-FONSI) for the project, approved on December 27, 2016, in the Caltrans Finding of No Significant Impact (FONSI) also issued on December 27, 2016, and in other documents in the Caltrans project records. The IS-ND/EA-FONSI and other project records are available by contacting Caltrans at the addresses provided above. The Caltrans IS-ND/EA-FONSI can be viewed and downloaded from the project Web site at <http://www.dot.ca.gov/dist4/envdocs.htm>, or viewed at public libraries in the project area.

This notice applies to all Federal agency decisions as of the issuance date of this notice and all laws under which such actions were taken, including but not limited to:

SUPPLEMENTARY INFORMATION: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burden; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information.

Title: Federal Highway Administration Research, Development and Technology Agenda Web site.

Background: Title 23, United States Code, Section 502(a)(5) requires that Federal surface transportation research and development activities address the needs of stakeholders, including “States, metropolitan planning organizations, local governments, the private sector, researchers, research sponsors, and other affected parties, including public interest groups.” As part of its effort to ensure that Federal research, development and technology (RD&T) activities are addressing the most critical national challenges, the Federal Highway Administration (FHWA) is developing the RD&T Agenda Web site. This Web site will communicate FHWA's RD&T goals, objectives and strategies to its stakeholders and highlight notable initiatives or projects that illustrate FHWA's RD&T approach. The Web site will include an electronic mechanism for stakeholders to provide feedback on the overall RD&T Agenda, FHWA's approach to addressing national transportation challenges, and potential opportunities for FHWA to collaborate with stakeholders to address them.

Respondents: Approximately 1,000 annual respondents.

Frequency: Annually.

Estimated Average Burden per Response: Approximately 10 minutes per respondent per year.

Estimated Total Annual Burden Hours: Approximately 167 hours per year.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.
