SUPPLEMENTARY INFORMATION: On April 28, 2017, (82 FR 19718), the FDIC requested comment for 60 days on a proposal to renew the information collections described below. No comments were received. The FDIC hereby gives notice of its plan to submit to OMB a request to approve the renewal of these collections, and again invites comment on this renewal.

Proposal to renew the following currently approved collections of information:

1. *Title:* Application for Waiver of Prohibition on Acceptance of Brokered Deposits.

OMB Number: 3064-0099.

Form Number: None.

Affected Public: Insured state nonmember banks and state savings associations.

Burden Estimate:

| Type of burden | Estimated number of respondents | Estimated time per response (hours) | Frequency of response | Total annual estimated burden (hours) |
|-----------------|---------------------------------|-------------------------------------|-----------------------|---------------------------------------|
| Reporting | 30 | 6 | On Occasion | 180 |

General Description of Collection: Section 29 of the Federal Deposit Insurance Act prohibits undercapitalized insured depository institutions from accepting, renewing, or rolling over any brokered deposits. Adequately capitalized institutions may do so with a waiver from the FDIC, while well-capitalized institutions may accept, renew, or roll over brokered

deposits without restriction. This information collection captures the burden associated with preparing and filing an application for a waiver of the prohibition on the acceptance of brokered deposits.

There is no change in the method or substance of the collection. The overall reduction in burden hours is a result of economic fluctuation. In particular, the

number of respondents has decreased while the hours per response remain the same.

2. *Title:* Management Official Interlocks.

OMB Number: 3064-0118.

Form Number: None.

Affected Public: Insured state nonmember banks and state savings associations.
