DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On December 22, 2017, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of Louisiana in the lawsuit entitled *United States et al. v. Columbian Chemical Company*, (W.D. La.), Civil Case. No. 6:17–cv–01661.

In this civil enforcement action under the federal Clean Air Act (“Act”), the United States the Louisiana Department of Environmental Quality, and the Kansas Department of Health and Environment allege that Columbian Chemical Company (“Defendant”), failed to comply with certain requirements of the Act intended to protect air quality at three carbon black manufacturing facilities in North Bend,

Louisiana, and Hickok, Kansas. The complaint seeks injunctive relief and civil penalties for violations of the Clean Air Act’s Prevention of Significant Deterioration (“PSD”) provisions, 42 U.S.C. 7470–92 and various Clean Air Act implementing regulations. The complaint alleges that Defendant failed to obtain appropriate permits and failed to install and operate required pollution control devices to reduce emissions of sulfur dioxide (“SO₂”), nitrogen oxides (“NO_x”), and/or particulate matter (“PM”) at the tow facilities.

The proposed Consent Decree would resolve violations for certain provisions of the Act at the three facilities, and would require the Defendant to reduce harmful SO₂, NO_x, and particulate matter emissions through the installation and operation of pollution controls. The Defendant will also spend \$375,000 to fund environmental mitigation projects that will further reduce emissions and benefit communities adversely affected by the pollution from the facilities, and pay a civil penalty of \$650,000.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States et al. v. Columbian Chemical Company* (W.D. La.), D.J. Ref. No. 90–5–2–1–10943. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
