

OMB Control Number: 0572–0136.

Summary of Collection: The Rural Electrification Act of 1936 (RE Act) (7 U.S.C. 901 *et seq.*) as amended in November 2000, to create new grant and loan authority to assist rural communities with extremely high energy costs (Pub. L. 106–472). The amendment authorized the Secretary of the U.S. Department of Agriculture through Rural Development to provide competitive grants for energy generation, transmission, or distribution facilities serving communities in which the national average residential expenditure for home energy is at least 275 percent of the national average residential expenditure for home energy. All applicants are required to submit a project proposal containing the elements in the prescribed format.

Need and Use of the Information: Information is collected by the Rural Utility Service from applicants to confirm that the eligibility requirements and the proposals are consistent with the purposes set forth in the statute. Various forms and progress reports are used to monitor compliance with grant agreements, track expenditures of Federal funds and measure the success of the program. Without collecting the listed information, USDA will not be assured that the projects and communities served meet the statutory requirements for eligibility or that the proposed projects will deliver the intended benefits.

Description of Respondents: Not-for-profit institutions; State, Local or Tribal Government.

Number of Respondents: 100.

Frequency of Responses:

Recordkeeping: Reporting: On occasion.

Total Burden Hours: 1,172.

SUPPLEMENTARY INFORMATION:

Background

CAC was established in 1963 by two United Nations organizations, the Food and Agriculture Organization (FAO) and the World Health Organization (WHO). Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, the CAC seeks to protect the health of consumers and ensure fair practices in the food trade; promotes coordination of all food standards work undertaken by international governmental and non-governmental organizations; determines priorities and initiates and guides the preparation of draft standards through and with the aid of appropriate organizations; finalizes the standards elaborated and publishes them in a *Codex Alimentarius* (food code) either as regional or worldwide standards, together with international standards already finalized by other bodies, wherever this is practicable; and amends published standards, as appropriate, in the light of new developments.

Issues To Be Discussed at the Public Meeting

The following items on the Agenda for the 41st Session of the CAC will be discussed during the public meeting:

- Report by the chairperson on the 74th and 75th Sessions of the Executive Committee
- Amendments to the Procedural Manual
- Final Adoption of Codex texts
- Adoption of Codex Texts at Step 5
- Revocation of Codex Texts
- Proposals for New Work
- Discontinuation of Work
- Amendments to Codex Standards and Related Texts
- Matters arising from the reports of the Commission, the Executive Committee and Subsidiary Bodies
- Committees working by correspondence and pilot for a Committee on Standards Advancement
- Regular Review of Codex Work Management: Report 2017–2018
- Codex Budgetary and Financial Matters: Report 2016–2017 and Progress 2018–2019
- Codex Budgetary and Financial Matters: Proposal 2020–2021

Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat before the meeting. Members of the public may access or request copies of these documents (see **ADDRESSES**).

Public Meeting

At the May 31, 2018, public meeting, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to the U.S. Delegate for the 41st Session of the CAC (see **ADDRESSES**). Written comments should state that they relate to activities of the 41st Session of the CAC.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is available on the FSIS web page. Through the web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the

option to password protect their accounts.

International Trade Administration

U.S. Strategy To Address Trade-Related Forced Localization Barriers Impacting the U.S. ICT Hardware Manufacturing Industry

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice and request for comments.

SUMMARY: The International Trade Administration is seeking information to support the development of a comprehensive strategy to address trade-related forced localization policies, practices, and measures impacting the U.S. information and communications technology (ICT) hardware manufacturing industry. Comments will be used to support the development of a holistic strategic plan for counteracting and deterring the expansion of barriers to trade and trade-related measures put in place by U.S. trading partners that are specifically designed to localize the production and technology development of ICT hardware, and unfairly harm U.S. ICT hardware manufacturers and exports.

DATES: Written comments must be submitted on or before May 14, 2018. Comments must be in English.
