Current Actions: This notice proposes the clearance of the IMLS National Medals Nomination forms and instructions. The 60-day Notice for the "Notice of Proposed Information Collection Requests: 2019-2021 IMLS National Medals Nomination Forms was published in the **Federal Register** on November 27, 2017 (82 FR 56058). The agency has taken into consideration the one comment that was received under this notice.

The National Medals are designed to recognize outstanding libraries and museums that have made significant contributions in service to improve the wellbeing of their communities. These institutions exceed expected levels of community outreach beyond a single program or exhibit by building community cohesion and serving as catalysts for positive community change. Nominees should review the IMLS strategic plan (<https://www.imls.gov/publications/transforming-communities-imls-strategic-plan-2018-2022>) and highlight how their work aligns (e.g., promoting lifelong learning, building institutional

capacity, increasing community access). We are particularly interested in enhanced services for veterans/military families, sustained opportunities for diverse youth and young professionals, and assistance to marginalized young families or seniors. Recipient institutions are honored at an awards ceremony that is held in Washington, DC.

POSTAL SERVICE

Revision to ZIP Code Zone Charts for APO/FPO/DPO Inbound Mail

AGENCY: Postal Service™.

ACTION: Notice.

SUMMARY: The Postal Service will rezone Inbound Mail from APO/FPO/DPO ZIP Codes to coordinate the Origin/Destination ZIP Codes with the designated International Service Centers (ISC) through which each originating ZIP Code dispatches mail.

DATES: *Applicable:* June 1, 2018.

FOR FURTHER INFORMATION CONTACT:

Direct questions or comments to Kimberly G. Forehan by email at kimberly.g.forehan@usps.gov or phone (859) 447-2652.

SUPPLEMENTARY INFORMATION: Effective with the ZIP Code Zone Charts update on June 1, 2018, Inbound Mail from APO/FPO/DPO ZIP Codes will be rezoned to coordinate the Origin/Destination ZIP Codes with the designated International Service Centers (ISC) through which each originating ZIP Code dispatches mail. This means that mail being sent from the various APO/FPO/DPO ZIP codes will be realigned so that both outbound and inbound ZIPs will be paired with the areas they serve. The US Postal Service refers to these relationships as "reciprocal" or "retrograde" pairs. This is a change from the current process where Pacific ZIP Codes are zoned through the San Francisco ISC and the European ZIP Codes are zoned through the JFK ISC. After June 1, 2018, each of the five ISCs will be aligned with reciprocal pairs for inbound mail from APO/FPO/DPO ZIP Codes. This will result in a more accurate pricing model for Military customers mailing items back to the United States.

Attorney, Federal Compliance.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Extension:

Rule 206(3)-2; SEC File No. 270-216, OMB Control No. 3235-0243

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 206(3)-2, (17 CFR 275.206(3)-2,) which is entitled "Agency Cross Transactions for Advisory Clients," permits investment advisers to comply with section 206(3) of the Investment Advisers Act of 1940 (the "Act") (15 U.S.C. 80b-6(3)) by obtaining a client's blanket consent to enter into agency cross transactions (*i.e.*, a transaction in which an adviser acts as a broker to both the advisory client and the opposite party to the transaction). Rule 206(3)-2,

applies to all registered investment advisers. In relying on the rule, investment advisers must provide certain disclosures to their clients. Advisory clients can use the disclosures to monitor agency cross transactions that affect their advisory account. The Commission also uses the information required by Rule 206(3)-2, in connection with its investment adviser inspection program to ensure that advisers are in compliance with the rule. Without the information collected under the rule, advisory clients would not have information necessary for monitoring their adviser's handling of their accounts and the Commission would be less efficient and effective in its inspection program.

The information requirements of the rule consist of the following: (1) Prior to obtaining the client's consent, appropriate disclosure must be made to the client as to the practice of, and the conflicts of interest involved in, agency cross transactions; (2) at or before the completion of any such transaction, the client must be furnished with a written confirmation containing specified information and offering to furnish upon request certain additional information; and (3) at least annually, the client must be furnished with a written statement or summary as to the total number of transactions during the period covered by the consent and the total amount of commissions received by the adviser or its affiliated broker-dealer attributable to such transactions.

The Commission estimates that approximately 426 respondents use the rule annually, necessitating about 50 responses per respondent each year, for a total of 21,300 responses. Each response requires an estimated 0.5 hours, for a total of 10,650 hours. The estimated average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or representative survey or study of the cost of Commission rules and forms.

This collection of information is found at (17 CFR 275.206(3)-2) and is necessary in order for the investment adviser to obtain the benefits of Rule 206(3)-2. The collection of information requirements under the rule is mandatory. Information subject to the disclosure requirements of Rule 206(3)-2 does not require submission to the Commission; and, accordingly, the disclosure pursuant to the rule is not kept confidential.

Commission-registered investment advisers are required to maintain and preserve certain information required under Rule 206(3)-2 for five (5) years. The long-term retention of these records
