**DEPARTMENT OF STATE**

[Public Notice 10397]

**Title: Bureau of Political-Military  
Affairs; Statutory Debarment Under the  
Arms Export Control Act and the  
International Traffic in Arms  
Regulations**

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that  
the Department of State has imposed  
statutory debarment under the  
International Traffic in Arms  
Regulations ("ITAR") on persons  
convicted of violating, or conspiracy to  
violate, Section 38 of the Arms Export  
Control Act (AECA).

**DATES:** Debarment imposed as of April  
25, 2018.

**FOR FURTHER INFORMATION CONTACT:** Jae  
E. Shin, Acting Chief Compliance and  
Civil Enforcement, Office of Defense  
Trade Controls Compliance, Bureau of  
Political-Military Affairs, Department of  
State. (202) 632-2107.

**SUPPLEMENTARY INFORMATION:** Section  
38(g)(4) of the AECA, 22 U.S.C.  
2778(g)(4), restricts the Department of  
State from issuing licenses for the  
export of defense articles or defense  
services where the applicant, or any  
party to the export, has been convicted  
of violating certain statutes, including  
section 38 of the AECA. The statute  
permits the President to make certain  
exceptions on a case-by-case basis.  
Section 127.7(b) of the ITAR also  
provides for "statutory debarment" of  
any person who has been convicted of  
violating or conspiring to violate the  
AECA. Under this policy, persons

subject to statutory debarment are prohibited from participating directly or indirectly in any activities that are regulated by the ITAR.

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a United States court, and as such the administrative debarment procedures outlined in Part 128 of the ITAR are not applicable.

It is the policy of the Department of State that statutory debarment lasts for a three year period following conviction. Unless export privileges are reinstated, however, the person remains debarred. Reinstatement is not automatic, and in all cases the debarred person must submit a request for reinstatement to the Department of State and be approved for reinstatement before engaging in any activities subject to this subchapter.

Department of State policy permits debarred persons to apply to the Director, Office of Defense Trade Controls Compliance, for reinstatement beginning one year after the date of the debarment. Any decision to grant reinstatement can be made only after the statutory requirements of Section 38(g)(4) of the AECA have been satisfied.

Certain exceptions, known as transaction exceptions, may be made to this debarment determination on a case-by-case basis. However, such an exception would be granted only after a full review of all circumstances, paying particular attention to the following factors: Whether an exception is warranted by overriding U.S. foreign policy or national security interests; whether an exception would further law enforcement concerns that are consistent with the foreign policy or national security interests of the United States; or whether other compelling circumstances exist that are consistent with the foreign policy or national security interests of the United States, and that do not conflict with law enforcement concerns. Even if exceptions are granted, the debarment continues until subsequent reinstatement.

Pursuant to Section 38(g)(4) of the AECA and Section 127.7(c) of the ITAR, the following persons, having been convicted in a U.S. District Court, are statutorily debarred as of the date of this notice (Name; Date of Judgment; Judicial District; Case No.; Month/Year of Birth):
