SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Employee Retirement Income Security Act (ERISA) section 408(b)(2) regulation information collection requirements codified in regulations 29 CFR 2550.408(b)(2)(c) that require certain retirement plan service providers to disclose information about their compensation and potential conflicts of interest to responsible plan fiduciaries. These disclosure requirements provide guidance for compliance with a statutory exemption from ERISA prohibited transaction provisions. Failing to satisfy the 408(b)(2) regulation disclosure requirements may result in provision of services prohibited by ERISA section 406(a)(1)(C), with consequences for both the responsible plan fiduciary and the covered service

provider. ERISA section 408(b)(2) authorizes this information collection. Employee Retirement Income Security Act of 1974 section 408(a) authorizes this information collection. See 29 U.S.C. 1108.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1210-0133.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on May 31, 2018. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on October 12, 2017 (82 FR 47581).
