#### SUPPLEMENTARY INFORMATION:

##### Additions

On 5/26/2017 (82 FR 101) and 12/22/2017 (82 FR 245), the Committee for Purchase From People Who Are Blind or Severely Disabled published notices of proposed additions to the Procurement List.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the products and impact of the additions on the current or most recent contractors, the Committee has determined that the products listed below are suitable for procurement by the Federal Government under 41 U.S.C. 8501-8506 and 41 CFR 51-2.4.

#### Regulatory Flexibility Act Certification

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the products to the Government.

2. The action will result in authorizing small entities to furnish the products to the Government.

3. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 8501–8506) in connection with the products proposed for addition to the Procurement List.

#### End of Certification

Accordingly, the following products are added to the Procurement List:

Comments were received from one (1) potentially affected subcontractor in response to the Commission's notice published in the **Federal Register**. In accordance with 41 CFR 51–2.4(4), *Level of impact on the current contractor*, the Commission completed an impact analysis on the commercial entity that is the current contractor for the Government that is providing the product or service being considered for addition to the Procurement List. As the commenter identified itself as a subcontractor to the Government prime contractor, the Commission was not required to consider impact on the commercial entity represented by the commenter.
