Background: Section 404 of the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (DR-CAFTA Act) (19 U.S.C. 4112) required the Secretary of Commerce to establish an Earned Import Allowance Program (EIAP) and directed the Commission to conduct annual reviews of the program to evaluate its effectiveness and make recommendations for improvements. Section 404 of the DR-CAFTA Act authorizes certain apparel articles wholly assembled in an eligible country to enter the United States free of duty if accompanied by a certificate that shows evidence of the purchase of certain U.S. fabric. The term "eligible country" is defined to mean the Dominican Republic. More specifically, the program allows producers (in the Dominican Republic) that purchase a certain quantity of qualifying U.S. fabric to produce certain cotton bottoms in the Dominican Republic to receive a credit that can be used to ship a certain quantity of eligible apparel using third-country fabrics from the Dominican Republic to the United States free of duty.

Section 404(d) directs the Commission to conduct an annual review of the program to evaluate the effectiveness of the program and make recommendations for improvements. The Commission is required to submit its reports containing the results of its reviews to the House Committee on Ways and Means and the Senate Committee on Finance. Copies of the Commission's prior reports are available on the Commission's website at www.usitc.gov, including the eighth annual report, which was published on September 28, 2017 (ITC Publication 4730). The Commission expects to submit its report on its ninth annual review by August 3, 2018.

The Commission instituted this investigation pursuant to section 332(g) of the Tariff Act of 1930 to facilitate docketing of submissions and also to facilitate public access to Commission records through the Commission's EDIS electronic records system. The Commission published notice of

institution of this investigation in the **Federal Register** on April 29, 2009 (47 FR 19592), and published notice of the Commission's invitation to submit information in connection with the eighth annual report in the **Federal Register** on May 1, 2017 (82 FR 20375).
