CMS-1728-19 Home Health Agency Cost Report

Under the PRA (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for

approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. *Type of Information Collection Request:* Revision of a currently approved collection; *Title of Information Collection:* Home Health Agency Cost Report; *Use:* Under the authority of sections 1815(a) and 1833(e) of the Social Security Act (42 U.S.C. 1395g), CMS requires that providers of services participating in the Medicare program submit information to determine costs for health care services rendered to Medicare beneficiaries. CMS requires that providers follow reasonable cost principles under 1861(v)(1)(A) of the Act when completing the Medicare cost report. Under the regulations at 42 CFR 413.20 and 413.24, CMS defines adequate cost data and requires cost reports from providers on an annual basis. The Form CMS-1728-19 cost report is needed to determine a provider’s reasonable cost incurred in furnishing medical services to Medicare beneficiaries and reimbursement due to or from a provider. The Form CMS-1728-19 cost report is also used for annual rate setting and payment refinement activities, including developing a home health market basket. Additionally, the Medicare Payment Advisory Commission (MedPAC) uses the home health cost report data to calculate Medicare margins, to formulate recommendations to Congress regarding the HHA PPS, and to conduct additional analysis of the HHA PPS. Providers receiving Medicare reimbursement must provide adequate cost data based on financial and statistical records that can be verified by qualified auditors. *Form Number:* CMS-1728-19 (OMB control number: 0938-0022); *Frequency:* Yearly; *Affected Public:* Business or Other for-Profits, Not-for-Profit Institutions; *Number of Respondents:* 10,196; *Total Annual Responses:* 10,196; *Total Annual Hours:* 1,988,220. SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. *Type of Information Collection Request:* Revision with change of a previously approved collection; *Title of Information Collection:* Medicare Current Beneficiary Survey; *Use:* The Medicare Current Beneficiary Survey (MCBS) is the most comprehensive and complete survey available on the Medicare population and is essential in capturing data not otherwise collected through our operations. The MCBS is an in-person, nationally-representative, longitudinal survey of Medicare beneficiaries that we sponsor and is directed by the Office of Enterprise Data and Analytics (OEDA). The survey captures beneficiary information whether aged or disabled, living in the community or facility, or serviced by managed care or fee-for-service. Data produced as part of the MCBS are enhanced with our administrative data (e.g. fee-for-service claims, prescription drug event data, enrollment, etc.) to provide users with more accurate and complete estimates of total health care costs and utilization. The MCBS has been continuously fielded for more than 26 years, encompassing over 1 million interviews and more than 100,000 survey participants. Respondents participate in up to 11 interviews over a four year period. This gives a comprehensive picture of health care

costs and utilization over a period of time. *Form Number:* CMS- P-0015A (OMB control number 0938-0568); *Frequency:* Occasionally; *Affected Public:* State, Local, and Tribal Governments; *Number of Respondents:* 13,656; *Total Annual Responses:* 35,998; *Total Annual Hours:* 42,610. (For policy questions regarding this collection contact William S. Long at 410.786.7927.)

2. *Information Collection Request:* New collection; *Title of Information Collection:* Testing of Web Survey Design and Administration for CMS Experience of Care Surveys; *Use:* This collection is a new generic clearance request which encompasses an array of research activities to add web administration protocols to a series of surveys conducted by the Centers for Medicare & Medicaid Services (CMS). This request seeks burden hours to allow CMS and its contractors to conduct cognitive in-depth interviews, focus groups, pilot tests, and usability studies to support a variety of methodological studies around web modes of data collection for programs such as the Emergency Department Experience of Care (EDPEC), Fee-for-Service (FFS) Consumer Assessment of Healthcare Providers and Systems (CAHPS), Hospital CAHPS (HCAHPS), Medicare Advantage and Prescription Drug (MA & PDP) CAHPS, Home Health (HH) CAHPS, Hospice CAHPS, In-Center Hemodialysis (ICH) CAHPS, the Health Outcomes Survey (HOS), and the Medicare Advantage and Part D Plan Disenrollment Reasons surveys. *Form Number:* CMS-10694 (OMB control number 0938-New); *Frequency:* Occasionally; *Affected Public:* State, Local, and Tribal Governments; *Number of Respondents:* 75,250; *Total Annual Responses:* 75,250; *Total Annual Hours:* 17,000.
