BILLING CODE 6750–01–P

GENERAL SERVICES ADMINISTRATION

[Notice–MG–2019–01; Docket No. 2019–0002; Sequence No. 6]

Office of Federal High-Performance Buildings; Green Building Advisory Committee; Notification of Meeting and Upcoming Teleconference

AGENCY: Office of Government-wide Policy (OGP), General Services Administration (GSA).

ACTION: Meeting notice.

SUMMARY: Notice of an in-person meeting, and teleconference/web meetings, is being provided according to the requirements of the Federal Advisory Committee Act. This notice provides the schedule for a new teleconference/web meeting of the Green Building Advisory Committee (the Committee), the extended schedule for previously announced and ongoing biweekly Task Group teleconference/web meetings, and the updated schedule for a previously announced full advisory Committee meeting. All of these meetings are open for the public to either listen to or observe. Individuals interested in attending some or all of these meetings must register to attend as instructed below under **SUPPLEMENTARY INFORMATION**.

DATES: The Committee will hold a newly announced full teleconference/web meeting on Tuesday May 28, 2019, from 3:00 p.m., Eastern Standard Time (EDT), to 4:00 p.m., EDT.

The Committee's two active Task Groups currently have alternate weekly

teleconference/web meetings (one call every other week), which will be extended as follows:

- The *Building and Grid Integration Task Group, Phase II*, will extend currently recurring, biweekly, teleconference/web meetings on Wednesdays, through September 4, 2019, from 3:00 p.m. to 4:00 p.m., EDT.
- The *Data-Integrated Building Systems Task Group* will extend currently recurring, weekly, teleconference/web meetings on Wednesdays, through August 28, 2019, from 3:00 p.m. to 4:00 p.m., EDT.
- The Committee has rescheduled its spring 2019 in-person meeting to Thursday, September 12, 2019, from May 16, 2019. The meeting will start at 10:00 a.m. Eastern Daylight Time (EDT), and will end no later than 4:00 p.m., EDT.

ADDRESSES: The rescheduled spring 2019 meeting will be held at GSA's Central Office, located at 1800 F Street NW, Washington, DC 20405, Room 1425. The meeting is open to the public and the site is accessible to individuals with disabilities.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Bloom, Group Federal Officer, Office of Federal High-Performance Buildings, OGP, GSA, 1800 F Street NW, Washington, DC 20405, at email address michael.bloom@gsa.gov, or telephone number 312–805–6799. Additional information about the Committee is available on-line at <http://www.gsa.gov/gbac>.

SUPPLEMENTARY INFORMATION:

Background

The Administrator of GSA established the Committee on June 20, 2011 (*Federal Register*/Vol. 76, No. 118) pursuant to Section 494 of the Energy Independence and Security Act of 2007 (EISA, 42 U.S.C. 17123). Under this authority, the Committee provides independent policy advice and recommendations to GSA to improve federal buildings (assets, operations, use, and resilience) to enhance human health and performance, and safeguard social, economic, and environmental security. Completed Committee recommendations are posted at: <https://www.gsa.gov/about-us/organization/office-of-governmentwide-policy/office-of-federal-highperformance-buildings/policy/green-building-advisory-committee/advice-letters-and-resolutions>.

Purpose

The purpose of all the Committee meetings is to convene experts in buildings—including architects,

material suppliers, construction contractors, environment, health, security and transportation—to accelerate the successful transformation of the Federal building portfolio to sustainable technologies and practices.

Procedures for Attendance and Public Comment

Contact Mr. Michael Bloom at michael.bloom@gsa.gov to register to attend the in-person meeting on September 12, 2019 or listen to any of these teleconference/web meetings. To attend any of these events, submit your full name, organization, email address, and phone number, and which ones you would like to attend. Requests to attend the teleconference/web meetings must be received by 5:00 p.m. EDT, on Wednesday, May 23, 2019. (GSA will be unable to provide technical assistance to any listener experiencing technical difficulties. Testing access to the Web meeting site before the calls is recommended.) Requests to attend the in-person meeting must be received by 5:00 p.m., EDT, on Friday, July 12, 2019.

Contact Mr. Bloom to register to comment during the in-person meeting. Registered speakers/organizations will be allowed a maximum of five minutes each, and will need to provide written copies of their presentations. Requests to comment at the meeting must be received by 5:00 p.m., EDT, on Friday, July 12, 2019. Written comments may be provided to Mr. Bloom by the same deadline.

May 28, 2019 Committee Teleconference/Web Meeting

This teleconference/web meeting will discuss the topic of GSA's high-performance building certification systems review. This review is required every five years by the Energy Independence and Security Act (EISA) of 2007. Under this review, GSA must identify a system(s) that “will be most likely to encourage a comprehensive and environmentally sound approach” to the certification of high-performance federal buildings.

GSA will present the findings from its evaluation and a draft set of recommendations to seek the Committee's input as part of a public review period. Relevant background information and updates for the teleconference will be posted on GSA's website at <http://www.gsa.gov/gbac>.

Committee Teleconference/Web Meeting Agenda

- Introductions
- Purpose of GSA's review
- Review methods and findings and GSA draft recommendations

- Committee comments
- Next steps

Biweekly Task Group Conference Calls

These meetings allow the Task Groups to develop consensus recommendations to the Committee, which will, in turn, decide whether to proceed with formal advice to GSA based upon these recommendations.

The *Building and Grid Integration Task Group*, Phase II continues to build on the recommendations of the first phase of this Task Group, posted at <https://www.gsa.gov/cdnstatic/Bldg%20Grid%20Integration%20Advice%20Letter%202-21-19%20-%20508.pdf>, to prioritize federal building and grid integration strategies and develop implementation plans and scenarios with future rate structures, including consideration of electronic vehicles (EVs) and energy storage.

The *Data-Integrated Building Systems Task Group* continues to document and recognize data-integrated building system (e.g., smart building system) use cases that demonstrate the business case and quantify the multiple benefits of integrating building technologies and systems.

In-Person Meeting

The Committee meeting will convene experts in buildings, including architects, material suppliers, construction contractors, environment, health, security and transportation to accelerate the successful transformation of the Federal building portfolio to sustainable technologies and practices. The Meeting provides the venue for the Building-grid integration and Data-integrated building systems Task Groups to present their findings and recommendations.

This full Committee meeting is being rescheduled from May 16, 2019 (**Federal Register**/Vol. 83, No. 65166).

In-Person Meeting Agenda

- Updates and introductions
- Building-grid integration task group findings & recommendations
- Lunchtime speaker (TBD)
- Data-integrated building systems task group findings & recommendations
- Additional topics proposed by Committee members
- Public comment
- Next steps and closing comments

Kevin Kampschroer,

Federal Director, Office of Federal High-Performance Buildings, General Services Administration.

BILLING CODE 6820-14-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Agency for Toxic Substances and Disease Registry

[Docket No. ATSDR-2019-0005]

Proposed Substances To Be Evaluated for Toxicological Profile Development

AGENCY: Agency for Toxic Substances and Disease Registry (ATSDR), Department of Health and Human Services (HHS).

ACTION: Request for comments on proposed substances to be evaluated for Toxicological Profile development.

SUMMARY: The Agency for Toxic Substances and Disease Registry (ATSDR) within the Department of Health and Human Services is initiating the development of another set of Toxicological Profiles. This notice solicits public nominations of substances for ATSDR to evaluate for Toxicological Profile development. ATSDR will consider nominations from the Substance Priority List (available at <https://www.atsdr.cdc.gov/SPL/>). ATSDR also accepts nominations for non-Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA) substances that may have public health implications, on the basis of ATSDR's authority to prepare Toxicological Profiles for substances not found at sites on the CERCLA National Priorities List. For more information on the CERCLA National Priorities List, visit <https://www.epa.gov/superfund/superfund-national-priorities-list-npl>. The agency will do so in order to establish and maintain an inventory of literature, research, and studies on the health effects of toxic substances, to respond to requests for consultation, and to support the site-specific response actions conducted by ATSDR, as otherwise necessary.

DATES: Nominations from the Substance Priority List and/or additional substances must be received by May 20, 2019.

ADDRESSES: You may submit nominations, identified by Docket No. ATSDR-2019-0005, by any of the following methods:

- **Internet:** Access the Federal eRulemaking portal at www.regulations.gov. Follow the instructions for submitting comments.
- **Mail:** Division of Toxicology and Human Health Sciences, Agency for Toxic Substances and Disease Registry, 1600 Clifton Rd. NE, Mail Stop S102-1, Atlanta, GA, 30329-4027. Attn: Docket No. ATSDR-201x-xxxx.

Instructions: All submissions must include the agency name and docket number for this notice. All relevant comments will be posted without change. This means that no confidential business information or other confidential information should be submitted in response to this notice. Refer to the section *Submission of Nominations* (below) for the specific information required.

FOR FURTHER INFORMATION CONTACT: For further information, please contact Susan Ingber, Agency for Toxic Substances and Disease Registry, Division of Toxicology and Human Health Sciences, 1600 Clifton Rd. NE, Mail Stop S102-1, Atlanta, GA, 30329-4027, Email: ATSDRToxProfileFRNs@cdc.gov; Phone: 1-800-232-4636.

SUPPLEMENTARY INFORMATION: The Superfund Amendments and Reauthorization Act of 1986 (SARA) [42 U.S.C. 9601 *et seq.*] amended the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA or Superfund) [42 U.S.C. 9601 *et seq.*] by establishing certain requirements for ATSDR and the U.S. Environmental Protection Agency (EPA) with regard to hazardous substances most commonly found at facilities on the CERCLA National Priorities List (NPL) (for more information, visit <https://www.epa.gov/superfund/superfund-national-priorities-list-npl>). Among these statutory requirements is a mandate for the Administrator of ATSDR to prepare Toxicological Profiles for each substance included on the Priority List of Hazardous Substances (also known as the Substance Priority list (SPL)). This list identifies 275 hazardous substances found at NPL sites that ATSDR and EPA have determined pose the most significant current potential threat to human health.

Substances To Be Evaluated for Toxicological Profile Development

Each year, ATSDR develops a list of substances to be considered for Toxicological Profile development. The nomination process includes consideration of all substances on ATSDR's SPL, as well as other substances nominated by the public. For more information on ATSDR's SPL, visit <https://www.atsdr.cdc.gov/SPL/>.

Submission of nominations for Toxicological Profile development: Today's notice invites voluntary public nominations for substances included on the SPL and for substances not listed on the SPL. All nominations should include the full name of the nominator, affiliation, and email address. When
