

Exchange does not believe the proposed rule change will impose any burden on intramarket competition, as the current on-floor position transfer procedure is of limited use to Trading Permit Holders today but still imposes an administrative burden on the Exchange. The proposed elimination of the on-floor position transfer promotes efficient administration of the Exchange, as it eliminates this complex procedure that is limited in application. Market participants will still be able to effect transactions on the Exchange pursuant to the normal auction process if an off-floor transfer is not permissible.

The Exchange does not believe the proposed rule change will impose any burden on intermarket competition. As discussed above, at least one other options exchange with a trading floor and a transfer of positions rule does not offer an on-floor transfer procedure,¹⁸ and at least one other options exchange lets a designee of the Exchange president grant an exemption.¹⁹ Additionally, the additional circumstances in which the President or a designee may grant an exemption are similar to those that the President or a designee may consider when taking action under emergency conditions pursuant to Rule 6.17, and thus the proposed rule change does not significantly expand the Exchange's President's authority to take action when necessary or appropriate for the maintenance of a fair and orderly market and to protect investors.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act²⁰ and Rule 19b-4(f)(6) thereunder.²¹ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if

consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6) thereunder.²²

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²³ of the Act to determine whether the proposed rule change should be approved or disapproved.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to delete the Exchange's current Registration, Qualification and Continuing Education rules ("Exchange Registration Rules" and, generally, "Registration Rules") under the 1200 Series (Rules 1210 through 1250), and incorporate by reference The Nasdaq Stock Market LLC's ("Nasdaq") rules at General 4 ("Nasdaq Registration Rules"), into General 4 of the Exchange's rulebook's ("Rulebook") shell structure.³

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqmrx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange recently amended, reorganized, and enhanced certain of its membership, registration, and qualification requirement rules partly in response to rule changes by the Financial Industry Regulatory Authority ("FINRA"), and also in order to conform the Exchange's rules more closely to those of its Affiliated Exchanges in the interest of uniformity and to facilitate compliance with membership, registration and qualification regulatory requirements by members of multiple

Affiliated Exchanges including the Exchange.⁴ To that end, the Exchange adopted a new 1200 Series of rules, captioned "Registration, Qualification and Continuing Education," generally conforming the Exchange Registration Rules to FINRA's new 1200 Series, except for a number of Exchange-specific variations.⁵

The Exchange now proposes to delete the Exchange Registration Rules, currently under the 1200 Series (Rules 1210 through 1250), and incorporate by reference the Nasdaq Registration Rules at General 4 of Nasdaq's rulebook into General 4 of the Exchange's Rulebook. Relatedly, the Exchange will make necessary cross-reference updates throughout the Rulebook. Specifically, the Exchange will amend the cross-reference in Exchange Rule 100.

The incorporation by reference of Nasdaq Registration Rules at General 4 into the Exchange's General 4 title and any necessary cross-reference updates are regulatory in nature.⁶ The Exchange notes that as a condition of an exemption, which the Exchange will request and will need to be approved by the Commission pursuant to Section 36 of the Act,⁷ the Exchange agrees to provide written notice to its members whenever Nasdaq proposes a change to its General 4 title.⁸ Such notice will alert Exchange members to the proposed Nasdaq rule change and give them an opportunity to comment on the proposal. The Exchange will similarly inform its members in writing when the SEC approves any such proposed change.

Implementation

The Exchange proposes that this rule change becomes operative at such time as it receives approval for an exemption from the Securities and Exchange Commission, pursuant to its authority

under Section 36 of the Act and Rule 0-12⁹ thereunder, from the Section 19(b) rule filing requirements to separately file a proposed rule change to amend the Exchange's General 4 title.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹¹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by consolidating its rules into a single rule set. The Exchange intends to also file similar proposed rule changes for the Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq GEMX, LLC; and Nasdaq ISE, LLC markets so that the General 4 rules which govern Registration Rules are conformed.

Incorporating by reference the Nasdaq Registration Rules at General 4 into the Exchange's General 4 title will provide an easy reference for Exchange members seeking to comply with registration and qualification requirements on multiple markets. As noted, the Exchange intends to file similar proposed rule changes for other Affiliated Exchanges so that Nasdaq General 4 is the source document for all Registration Rules. The Exchange notes that the current rule is not changing and that Exchange members will be required to continue to comply with the Nasdaq Registration Rules as though such rules are fully set forth in Exchange's Rulebook. The Exchange desires to conform its rules and locate those rules within the same location in each Rulebook to provide Exchange members the ability to quickly locate rules.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that this rule change does not impose an undue burden on competition because the Exchange is merely incorporating by reference the Nasdaq Registration Rules at General 4 into its own Rulebook. The Exchange Registration Rules are not being

³ In 2017, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, The Nasdaq Stock Market LLC; Nasdaq BX, Inc.; Nasdaq PHLX LLC; Nasdaq GEMX, LLC; and Nasdaq ISE, LLC ("Affiliated Exchanges"). The shell structure currently contains eight (8) General sections which, once complete, will apply a common set of rules to the Affiliated Exchanges. ⁶ The General 4 rules are categories of rules that are not trading rules. See 17 CFR 200.30-3(a)(76) (contemplating such requests). In addition, several other Self-Regulatory Organizations ("SROs") incorporate by reference certain regulatory rules of other SROs and have received from the Commission similar exemptions from Section 19(b) of the Exchange Act. See e.g., Securities Exchange Act Release Nos. 57478 (March 12, 2008), 73 FR 14521 (March 18, 2008), 53128 (January 13, 2006), 71 FR 3550 (January 23, 2006); 49260 (February 17, 2004), 69 FR 8500 (February 24, 2004).

⁸ The Exchange will provide such notice via a posting on the same website location where the Exchange posts its own rule filings pursuant to Rule 19b-4 within the timeframe required by such rule. The website posting will include a link to the location on the Nasdaq website where the applicable proposed rule change is posted.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b-4 thereunder.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
