

OMB Approval Number: 2577–0026.

Type of Request: Extension of a currently approved collection.

Form Number: HUD–52574.

Description of the need for the information and proposed use: The operating budget and related form are submitted by PHAs for the low-income housing program. The operating budget provides a summary of proposed budget receipts and expenditures by major category, as well as blocks for indicating approval of budget receipts and expenditures by the PHA and HUD. The related form provides a record of PHA Board approval of how the amount shown on the operating budget were arrived at, as well as justification of certain specified amounts. The information is reviewed by HUD to determine if the plan of operation adopted by the PHA and amounts included therein are reasonable for the efficient and economical operation of the development(s), and the PHA is in compliance with HUD procedures to assure that sound management practices will be followed in the operation of the development. PHAs are still required to prepare their operating budgets and submit them to their Board for approval prior to their operating subsidy being approved by HUD. The operating budgets must be kept on file for review, if requested.

Respondents: State, Local or Tribal Government.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

Agency Information Collection Activities; Mine, Development, and Mineral Exploration Supplement

AGENCY: U.S. Geological Survey, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the U.S. Geological Survey (USGS) are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before July 8, 2019.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to U.S. Geological Survey, Information Collections Officer, 12201 Sunrise Valley Drive, MS 159, Reston, VA 20192; or by email to gs-info_collections@usgs.gov. Please reference OMB Control Number 1028–0060 in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Shonta E. Osborne by email at sosborne@usgs.gov, or by telephone at 703–648–7960.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public

comment addressing the following issues: (1) Is the collection necessary to the proper functions of the USGS; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the USGS enhance the quality, utility, and clarity of the information to be collected; and (5) how might the USGS minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The National Mining and Minerals Policy Act of 1970 and the National Materials and Minerals Policy, Research and Development Act of 1980 mandate that the Secretary of the Interior collect, evaluate, and analyze information concerning mineral occurrence, production, and use for the domestic mineral industry and to inform Congress of important domestic mining and minerals industries developments. These responsibilities are delegated to the U.S. Geological Survey and are carried out, in part, through this information collection.
