## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-85987; File No. SR-NASDAQ-2019-046]

### Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Relocate the Order Audit Trail System Rules

May 31, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on May 23, 2019, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to (a) rename the title of Equity 5 "Order Audit Trail Services" under the Exchange's rulebook ("Rulebook") shell structure<sup>3</sup> to Equity 5 "Order Audit Trail System"; (b) relocate its current Rule 7000A Series concerning the Order Audit Trail System ("OATS") to Equity 5 "Order Audit Trail System" (as renamed by this proposal); and (c) make conforming

<sup>11</sup> 17 CFR 200.30-3(a)(12).

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> In 2017, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, Nasdaq BX, Inc. ("BX"); Nasdaq PHLX LLC ("Phlx"); Nasdaq ISE, LLC; Nasdaq GEMX, LLC; and Nasdaq MRX, LLC ("Affiliated Exchanges"). See Securities Exchange Act Release No. 82175 (November 29, 2017), 82 FR 57494 (December 5, 2017) (SR-NASDAQ-2017-125). This proposed change is the first of a total of three, which will move the OATS rules of Nasdaq, BX, and Phlx to their respective shell structures.

cross-reference changes in Rules 5320A and IM-9216.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to (a) rename the title of Equity 5 "Order Audit Trail Services" under the Rulebook shell structure to Equity 5 "Order Audit Trail System"; (b) relocate its current Rule 7000A Series concerning OATS to Equity 5 "Order Audit Trail System" (as renamed by this proposal); and (c) make conforming cross-reference changes in Rules 5320A and IM-9216, as detailed below.

###### 1. Rename the Title of Equity 5

The title of Equity 5 is currently "Order Audit Trail Services." The word "Services" was erroneously inserted when adopting the shell. The accurate word is "System," which reflects the name of the FINRA Order Audit Trail System to which the rules thereunder apply. Consequently, the Exchange is making a corrective change to the name of the rule.

###### 2. Relocation of the OATS Rules

The Exchange, as part of its continued effort to promote efficiency and the conformity of its rule structure with those of the Affiliated Exchanges,<sup>4</sup> and the goal of harmonizing and making its rule structure uniform, proposes to relocate the OATS rules, currently under the Rule 7000A Series, into Equity 5 "Order Audit Trail System" of the shell structure. Specifically, the Exchange will add the word "Section"

<sup>4</sup> See footnote 3.

and renumber the Rule 7000A Series as detailed in the table below:

7000A Series	Equity 5
7000A .....	Deleted.
7400A .....	Equity 5.
7410A .....	Section 1.
7420A .....	Section 2.
7430A .....	Section 3.
7440A .....	Section 4.
7450A .....	Section 5.
7460A .....	Section 6.
7470A .....	Deleted.

The Exchange believes that the relocation of the OATS rules will facilitate the use of the Rulebook by Members<sup>5</sup> of the Exchange, including BX and Phlx members, and other market participants. Moreover, the proposed changes are of a non-substantive nature and they will not amend the relocated rules, other than to update their numbers as previously detailed.

### 3. Cross-Reference Updates

In connection with the changes described above, the Exchange proposes to update all internal and external cross-references in the Rulebook that direct the reader to the current placement of the OATS rules and/or any of their subsections. Specifically, the Exchange will update a cross-reference in Nasdaq Rule 5320A to OATS Rule 7440A, which will be renumbered Equity 5, Section 4. Similarly, the Exchange proposes to update the cross-reference in IM-9216 (Violations Appropriate for Disposition Under Plan Pursuant to SEC Rule 19d-1(c)(2)) that currently points to “Rules 6954 and 6955.” Rules 6954 and 6955 were respectively renumbered as OATS Rules 7440A and 7450A in 2012.<sup>6</sup> This cross-reference will be updated as Equity 5, Sections 4 and 5.

The Exchange also proposes to correct a cross-reference in current OATS Rule 7460A (to be renumbered Equity 5, Section 6) that points to Nasdaq Rule 2110. Rule 2110 (Standards of Commercial Honor and Principles of Trade) was renumbered as Nasdaq Rule 2010A and, therefore, its cross-reference in the Equity 5, Section 6 will be updated accordingly.<sup>7</sup>

### 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>8</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>9</sup>

in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest, by promoting efficiency and structural conformity of the Exchange’s rules with those of the Affiliated Exchanges and to make the Exchange’s Rulebook, in the present case, the OATS rules, easier to read and more accessible to its Members, including BX and Phlx members, and market participants. The Exchange believes that the correction to Equity 5’s title, relocation of the OATS rules, and cross-reference updates are of a non-substantive nature.

#### B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed changes do not impose a burden on competition because, as previously stated, they (i) are of a non-substantive nature, (ii) are intended to harmonize the structure of the Exchange’s rules with those of its Affiliated Exchanges, and (iii) are intended to organize the Rulebook in a way that it will ease the Members’, including BX and Phlx members, and market participants’ navigation and reading of the rules.

#### C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup>

<sup>10</sup> 15 U.S.C. 78s(b)(3)(A).

<sup>11</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>12</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>13</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. Waiver of the operative delay would allow the Exchange to promptly relocate the OATS rules and continue to reorganize its Rulebook to promote efficiency and structural consistency between the Exchange’s rules and those of BX and Phlx. Therefore, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>14</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

**DEPARTMENT OF STATE**

[Public Notice: 10786]

**Bureau of Political-Military Affairs;  
Statutory Debarment Under the Arms  
Export Control Act and the  
International Traffic in Arms  
Regulations**

**AGENCY:** Department of State.

**SUMMARY:** Notice is hereby given that the Department of State has imposed statutory debarment under the International Traffic in Arms Regulations (“ITAR”) on persons convicted of violating, or conspiracy to violate, section 38 of the Arms Export Control Act (AECA).

**DATES:** Debarment imposed as of June 6, 2019.

**FOR FURTHER INFORMATION CONTACT:** Jae E. Shin, Director, Office of Defense Trade Controls Compliance, Bureau of Political-Military Affairs, Department of State. (202) 632–2107.

**SUPPLEMENTARY INFORMATION:** Section 38(g)(4) of the AECA, 22 U.S.C. 2778(g)(4), restricts the Department of State from issuing licenses for the export of defense articles or defense services where the applicant, or any party to the export, has been convicted of violating certain statutes, including section 38 of the AECA. The Department refers to this restriction as a limitation on “export privileges,” and implements it through section 127.11 of the ITAR. The statute and regulations permit the President to make certain exceptions to the restriction on export privileges on a case-by-case basis. Section 127.7(b) of the ITAR also provides for “statutory debarment” of any person who has been convicted of violating or conspiring to violate the AECA. Under this policy, persons subject to statutory debarment are prohibited from participating directly or indirectly in any activities that are regulated by the ITAR.

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a United States court, and as such the administrative debarment procedures outlined in part 128 of the ITAR are not applicable.

It is the policy of the Department of State that statutory debarment as described in section 127.7 of the ITAR lasts for a three year period following the date of conviction. Reinstatement from the policy of statutory debarment is not automatic, and in all cases the debarred person must submit a request to the Department of State and be approved for reinstatement from statutory debarment before engaging in any activities subject to the ITAR.

Department of State policy permits debarred persons to apply to the Director, Office of Defense Trade Controls Compliance, for reinstatement from statutory debarment beginning one year after the date of the debarment. In response to a request for reinstatement from statutory debarment, the Department may determine to rescind the statutory debarment pursuant to

section 127.7(b), or rescind the statutory debarment policy pursuant to section 127.7(b) and reinstate export privileges as described in section 127.11 of the ITAR. See 84 FR 7,411 for discussion on the Department's policy regarding reinstatement of export privileges and rescission of statutory debarment. The reinstatement of export privileges can be made only after the statutory requirements of section 38(g)(4) of the AECA have been satisfied.

Certain exceptions, known as transaction exceptions, may be made to this debarment determination on a case-by-case basis. However, such an exception would be granted only after a full review of all circumstances, paying particular attention to the following factors: Whether an exception is warranted by overriding U.S. foreign policy or national security interests; whether an exception would further law enforcement concerns that are consistent with the foreign policy or national security interests of the United States; or whether other compelling circumstances exist that are consistent with the foreign policy or national security interests of the United States, and that do not conflict with law enforcement concerns. Even if exceptions are granted, the debarment continues until subsequent reinstatement from statutory debarment.

Pursuant to section 38(g)(4) of the AECA and section 127.7(c) of the ITAR, the following persons, having been convicted in a U.S. District Court, are denied export privileges and are statutorily debarred as of the date of this notice (Name; Date of Judgment; Judicial District; Case No.; Month/Year of Birth):
