324. Reduced Reporting for Covered Depository Institutions (Docket No: R-1618)

E.O. 13771 Designation: Independent agency.

Legal Authority: 12 U.S.C. 1817(a)(12)

Abstract: The OCC, the Board, and the FDIC (collectively, the Agencies) invited comment on a proposed rule that would implement section 205 of the Economic Growth, Regulatory Relief, and Consumer Protection Act by: Expanding the eligibility to file the agencies’ most streamlined report of condition, the FFIEC 051 Call Report, to include

certain insured depository institutions with less than \$5 billion in total consolidated assets that meet other criteria; and, establishing reduced reporting on the FFIEC 051 Call Report for the first and third reports of condition for a year. The OCC and Board also are proposing similar reduced reporting for certain uninsured institutions that they supervise with less than \$5 billion in total consolidated assets that otherwise meet the same criteria. This **Federal Register** notice also includes a Paperwork Reduction Act notice to reduce the amount of data required to be reported on the FFIEC 051 Call Report for the first and third

calendar quarters, and other related changes.

325. Regulation CC—Availability of Funds and Collection of Checks (Docket No: R-1409)

E.O. 13771 Designation: Independent agency.

Legal Authority: 12 U.S.C. 4001 to 4010; 12 U.S.C. 5001 to 5018

Abstract: The Board of Governors of the Federal Reserve System (the Board) is amending Regulation CC, which implements the Expedited Funds Availability Act (EFAA), which governs the availability of funds after a check deposit, as well as check collection and return. In March 2011, the Board proposed amendments to Regulation CC to facilitate the banking industry's ongoing transition to fully electronic interbank check collection and return, including proposed amendments to subpart C to encourage depository banks to receive and paying banks to send returned checks electronically and proposed amendments to subpart B's funds availability schedule provisions. Subsequently, section 1086 of the Dodd-Frank Wall Street Reform and Consumer Protection Act amended the EFAA to provide the Consumer Financial Protection Bureau (CFPB) with joint rulemaking authority with the Board over certain EFAA provisions, including those implemented by subpart B of Regulation CC. Based on its analysis of comments received, the Board revised its proposed amendments to subpart C of Regulation CC. The Board finalized its proposed amendments to subpart C in June 2017.

326. Regulation LL—Savings and Loan Holding Companies and Regulation MM—Mutual Holding Companies (Docket No: R-1429)

E.O. 13771 Designation: Independent agency.

Legal Authority: 5 U.S.C. 552; 5 U.S.C. 559; 5 U.S.C. 1813; 5 U.S.C. 1817; 5 U.S.C. 1828

Abstract: The Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act) transferred responsibility for supervision of Savings and Loan Holding Companies (SLHCs) and their non-depository subsidiaries from the Office of Thrift Supervision (OTS) to the Board of Governors of the Federal Reserve System (the Board), on July 21, 2011. The Act also transferred supervisory functions related to Federal savings associations and State savings associations to the Office of the Comptroller of the Currency (OCC) and the Federal Deposit Insurance Corporation (FDIC), respectively. The Board on August 12, 2011, approved an interim final rule for SLHCs, including a request for public comment. The interim final rule transferred from the OTS to the Board the regulations necessary for the Board to supervise SLHCs, with certain technical and substantive modifications. The interim final rule has three components: (1) New Regulation LL (part 238), which sets forth regulations generally governing SLHCs; (2) new Regulation MM (part 239), which sets forth regulations governing SLHCs in mutual form; and (3) technical amendments to existing Board regulations necessary to accommodate the transfer of supervisory authority for SLHCs from the OTS to the Board. The structure of interim final Regulation LL closely follows that of the Board's Regulation Y, which governs bank holding companies, in order to provide an overall structure to rules that were previously found in disparate locations. In many instances, interim final Regulation LL incorporated OTS regulations with only technical modifications to account for the shift in supervisory responsibility from the OTS to the Board. Interim final Regulation LL also reflects statutory changes made by the Dodd-Frank Act with respect to SLHCs, and incorporates Board precedent and practices with respect to applications processing procedures and control issues, among other matters. Interim final Regulation MM organized existing OTS regulations governing SLHCs in mutual form (MHCs) and their subsidiary holding companies into a single part of the Board's regulations. In many instances, interim final Regulation MM incorporated OTS regulations with

only technical modifications to account for the shift in supervisory responsibility from the OTS to the Board. Interim final Regulation MM also reflects statutory changes made by the Dodd-Frank Act with respect to MHCs. The interim final rule also made technical amendments to Board rules to facilitate supervision of SLHCs, including to rules implementing Community Reinvestment Act requirements and to Board procedural and administrative rules. In addition, the Board made technical amendments to implement section 312(b)(2)(A) of the Act, which transfers to the Board all rulemaking authority under section 11 of the Home Owner's Loan Act relating to transactions with affiliates and extensions of credit to executive officers, directors, and principal shareholders. These amendments include revisions to parts 215 (Insider Transactions) and part 223 (Transactions with Affiliates) of Board regulations.

Legal Authority: 12 U.S.C. 1831(o)

Abstract: The Board of Governors of the Federal Reserve System (Board), the Office of the Comptroller of the Currency (OCC), and the Federal Deposit Insurance Corporation (FDIC) plan to issue a proposed rule to implement section 616(d) of the Dodd-Frank Wall Street Reform and Consumer Protection Act. 328. Regulation YY—Single-Counterparty Credit Limits for Large Banking Organizations (Docket No: R-1534)

E.O. 13771 Designation: Independent agency.

Legal Authority: 12 U.S.C. 321; 12 U.S.C. 1818; 12 U.S.C. 1844(b); 12 U.S.C. 1844(c); 12 U.S.C. 5365

Abstract: The final rule would implement section 165(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, which requires the Board to impose limits on the amount of credit exposure that such a domestic or foreign bank holding company can have to an unaffiliated company in order to reduce the risks arising from the company's failure. The final rule, which built on earlier proposed rules by

the Board to establish single-counterparty credit limits for large domestic and foreign banking organizations, would increase in stringency based on the systemic importance of the firms to which they apply.
