

documents and exhibits. Commenters needing more time to comment must submit a request in writing, stating the reasons for the request. Commenters must submit the written request for an extension by the due date for comments. OSHA will limit any extension to 10 days unless the requester justifies a longer period. OSHA may deny a request for an extension if the request is not adequately justified. To obtain or review copies of the exhibits identified in this notice, as well as comments submitted to the docket, contact the Docket Office, at the above address. These materials also are available online at <http://www.regulations.gov> under Docket No. OSHA-2006-0042.

OSHA staff will review all comments to the docket submitted in a timely manner and, after addressing the issues raised by these comments, will make a recommendation to the Assistant Secretary for Occupational Safety and Health whether to grant CSA's application for expansion of its scope of recognition. The Assistant Secretary will make the final decision on granting the application. In making this decision, the Assistant Secretary may undertake other proceedings prescribed in Appendix A to 29 CFR 1910.7.

OSHA will publish a public notice of its final decision in the **Federal Register**.

[Notice (19-002)]

Notice of Intent To Grant Partially Exclusive License

AGENCY: National Aeronautics and Space Administration.

ACTION: Notice of intent to grant partially exclusive patent license.

SUMMARY: NASA hereby gives notice of its intent to grant a partially exclusive patent license in the United States to practice the inventions described and claimed in U.S. Patent Application entitled, "Fluid-Filled Frequency-Tunable Vibration Damper", MFS-33613-1-CIP, and Patent entitled "Variable-Aperture Reciprocating Reed Valve", U.S. Patent Number 8,939,178 to Hummingbird Kinetics, having its

principal place of business in New York, NY. The patent rights in these inventions have been assigned to the United States of America as represented by the Administrator of the National Aeronautics and Space Administration. NASA has not yet made a determination to grant the requested license and may deny the requested license even if no objections are submitted within the comment period.

DATES: The prospective partially exclusive license may be granted unless NASA receives written objections, including evidence and argument no later than February 27, 2019 that establish that the grant of the license would not be consistent with the requirements regarding the licensing of federally owned inventions as set forth in the Bayh-Dole Act and implementing regulations. Competing applications completed and received by NASA no later than February 27, 2019 will also be treated as objections to the grant of the contemplated partially exclusive license. Objections submitted in response to this notice will not be made available to the public for inspection and, to the extent permitted by law, will not be released under the Freedom of Information Act.

ADDRESSES: Objections relating to the prospective license may be submitted to James J. McGroary, Chief Patent Counsel/LS01, NASA Marshall Space Flight Center, Huntsville, AL 35812, (256) 544-0013. Email james.j.mcgroary@nasa.gov.

FOR FURTHER INFORMATION CONTACT: Sammy A. Nabors, Technology Transfer Branch/ST22, NASA Marshall Space Flight Center, Huntsville, AL 35812, (256) 544-5226. Email sammy.nabors@nasa.gov.

SUPPLEMENTARY INFORMATION: This notice of intent to grant a partially exclusive patent license is issued in accordance with 35 U.S.C. 209(c)(1) and 37 CFR 404.7(a)(1)(i). The patent rights in these inventions have been assigned to the United States of America as represented by the Administrator of the National Aeronautics and Space Administration. The prospective partially exclusive license will comply with the requirements of 35 U.S.C. 209 and 37 CFR 404.7.

Information about other NASA inventions available for licensing can be found online at <http://technology.nasa.gov>.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-2019-010]

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice.

SUMMARY: NARA is giving public notice that we have submitted to OMB for approval the information collections described in this notice. We invite comments on the proposed information collections pursuant to the Paperwork Reduction Act of 1995.

DATES: You must submit any comments to OMB in writing at the address below on or before March 14, 2019.

ADDRESSES: Send comments to Mr. Nicholas A. Fraser, Desk Officer for NARA; Office of Management and Budget; New Executive Office Building; Washington, DC 20503, by fax to 202-395-5167, or by email to Nicholas_A_Fraser@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: Tamee Fechhelm, by telephone at 301-837-1694 or by fax at 301-837-0319, to request additional information or copies of the proposed information collection and supporting statement.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), we invite the general public and other Federal agencies to comment on proposed information collections. We published a notice of proposed collection for these information collections on November 1, 2018 (83 FR 54945) and received no comments. As a result, we have now submitted the described information collections to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collections are necessary for the proper performance of NARA's functions; (b) the accuracy of our estimate of the proposed information collections' burden; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden on respondents of the collection of information, including the use of information technology; and (e) whether small businesses are affected by these collections. In this notice, NARA is soliciting comments concerning the following information collections:

1. *Title:* Forms Relating to Civilian Service Records.

OMB number: 3095-0037.

Agency form number: NA Forms 13022, 13064, 13068.

Type of review: Regular.

Affected public: Former Federal civilian employees, their authorized representatives, state and local governments, and businesses.

Estimated number of respondents: 32,060.

Estimated time per response: 5 minutes.

Frequency of response: On occasion, when individuals desire to acquire information from Federal civilian employee personnel or medical records.

Estimated total annual burden hours: 2,671 hours.

Abstract: In accordance with rules issued by the Office of Personnel Management, the National Personnel Records Center (NPRC) of the National Archives and Records Administration (NARA) administers Official Personnel Folders (OPF) and Employee Medical Folders (EMF) of former Federal civilian employees. When former Federal civilian employees and other authorized individuals request information from or copies of documents in OPF or EMF, they must provide in forms or in letters certain information about the employee and the nature of the request. The NA Form 13022, Returned Request Form, is used to request additional information about the former Federal employee. The NA Form 13064, Reply to Request Involving Relief Agencies, is used to request additional information about the former relief agency employee. The NA Form 13068, Walk-In Request for OPM Records or Information, is used by members of the public, with proper authorization, to request a copy of a Personnel or Medical record.

2. *Title:* Volunteer Service Application.

OMB number: 3095-0060.

Agency form number: NA Forms 6045, 6045a, 6045b, and 6045c.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 500.

Estimated time per response: 25 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 208 hours.

Abstract: NARA uses volunteer resources to enhance its services to the public and to further its mission of providing ready access to essential evidence. Volunteers assist in outreach and public programs and provide technical and research support for administrative, archival, library, and curatorial staff. NARA uses a standard
