33 CFR Part 100

[Docket Number USCG–2018–1096]

RIN 1625–AA08

Special Local Regulations; Charlevoix Venetian Night Boat Parade

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is changing the special local regulation for the Charlevoix Venetian Night Boat Parade to increase the length of effective period of the existing special local regulation to allow the Patrol Commander additional time to clear vessels from transiting or anchoring in the regulated area. In order for the Coast Guard to clear vessel traffic to ensure safety in sufficient time in advance of the event, the Coast Guard changes the effective period broadly to “a date in late July.”

DATES: This rule is effective July 22, 2019.

II. Background Information and Regulatory History

The Charlevoix Venetian Night Boat Parade Charlevoix, MI event features a parade on the perimeter of Round Lake with a low fireworks show in the middle of the lake. In order to ensure safety in sufficient time of the event the Coast Guard Patrol Commander clears any vessel traffic and any vessels anchored in Round Lake from the fireworks fallout zone and the parade route. Prior to this regulation change, the effective time and date did not allow adequate time for the Patrol Commander to ensure the safety of any anchored vessels in the regulated area. The Coast Guard Patrol Commander needed additional time to contact vessel owners to relocate their vessels out of the affected area.

In response, on April 1, 2019, the Coast Guard published a notice of proposed rulemaking (NPRM) titled Special Local Regulations; Charlevoix Venetian Night Boat Parade (84 FR 12178). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this marine event. During the comment period that ended July 1, 2019, we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable and contrary to public interest because timely action is needed to ensure the safety of vessels transiting and anchoring inside the regulated area from the fireworks fallout zone and parade route.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041; 33 CFR 1.05–1. The Captain of the Sault

Sainte Marie (COTP) has determined that potential hazards associated with the fireworks and the congestion caused by the parade route in the late July Charlevoix Venetian Night Boat Parade will be a safety concern for event participants and spectators. The purpose of this rule is to ensure safety of vessels and the navigable waters in the regulated area before, during, and after the scheduled event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received no comments on our NPRM April 1, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule change provides additional time for the Patrol Commander to clear vessels from transiting or anchoring within the regulated area for the Charlevoix Venetian Night Boat Parade. The duration of the special local regulation is intended to ensure the safety of vessels and these navigable waters before, during, and after the late July Charlevoix Venetian Night Boat Parade.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day for the regulated area. Vessel traffic will be able to safely transit through the regulated area, which will impact a small designated area within the COTP zone for a short duration of time, with permission from the Patrol Commander. Moreover, the Coast Guard will issue Broadcast Notice

to Mariners via VHF–FM marine channel 16 about the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the established area of the special local regulation may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01 and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have

determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involved creating a regulated area for several days each year in a small area. It is categorically excluded from further review under paragraph L61 in Table 3–1 of U.S. Coast Guard Environmental Planning Implementing Procedures 5090.1. A Memorandum for the Record supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.
