This notice sets out a summary of the use and burden associated with the following information collections. More detailed information can be found in each collection's supporting statement and associated materials (see **ADDRESSES**).

CMS–10400 Establishment of Exchanges and Qualified Health Plans
CMS–10595 QHP Issuers Data Collection for Notices for Plan or Display Errors Special Enrollment Periods

Under the PRA (44 U.S.C. 3501–3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term “collection of information” is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires federal agencies to publish a

60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

Information Collection

1. Type of Information Collection Request: Revision of a currently approved collection; **Title of Information Collection:** Establishment of Exchanges and Qualified Health Plans; **Use:** As directed by the Establishment of Exchanges and Qualified Health Plans; Exchange Standards for Employers (77 FR 18310) final rule, each Exchange assumed responsibilities related to the certification and offering of QHPs. Under 45 CFR 156.280(e)(5)(ii), each QHP issuer that offers non-excepted abortion services must submit to the State Insurance Commissioner a segregation plan describing how the QHP issuer establishes and maintains separate payment accounts for any QHP covering non-excepted abortion services, and pursuant to § 156.280(e)(5)(iii), each QHP issuer must annually attest to compliance with PPACA section 1303 and applicable regulations. This segregation plan is used to verify that the QHP issuer's financial and other systems fully conform to the segregation requirements required by the PPACA.

The Centers for Medicare and Medicaid Services (CMS) is renewing this information collection request (ICR) in connection with the segregation plan requirement under 45 CFR 156.280(e)(5)(ii). The burden estimate for this ICR included in this renewal package reflects the time and effort for QHP issuers to submit a segregation plan that demonstrates how the QHP issuer segregates QHP funds in accordance with applicable provisions of generally accepted accounting requirements, circulars on funds management of the Office of Management and Budget and guidance on accounting of the Government Accountability Office. CMS is also renewing the ICR in connection with the annual attestation requirement under 45 CFR 156.280(e)(5)(iii). The burden estimate for this ICR reflects the time and effort associated with QHP issuers submitting an annual attestation to the State Insurance Commissioner attesting to compliance with section 1303 of the PPACA. **Form Number:** CMS-10400 (OMB control number: 0938-1156); **Frequency:** Annually; **Affected Public:** Private Sector (business or other for-

profits, not-for-profit institutions); **Number of Respondents:** 210; **Number of Responses:** 210; **Total Annual Hours:** 580. (For questions regarding this collection contact Michele Oshman at 410-786-4396).

2. Type of Information Collection Request: Extension without change of a currently approved collection; **Title of Information Collection:** QHP Issuers Data Collection for Notices for Plan or Display Errors Special Enrollment Periods; **Use:** The Patient Protection and Affordable Care Act (Pub. L. 111-148) and Health Care and Education Reconciliation Act of 2010 (Pub. L. 111-152), collectively referred to as the PPACA, established new competitive private health insurance markets called Marketplaces, or Exchanges, which gave millions of Americans and small businesses access to qualified health plans (QHPs), including stand-alone dental plans (SADPs)— private health and dental insurance plans that have been certified as meeting certain standards.

In the final rule, the Patient Protection and Affordable Care Act; HHS Notice of Benefit and Payment Parameters for 2017 (CMS-9937-F), we finalized 45 CFR 156.1256, which requires QHP issuers, in the case of a material plan or benefit display error included in 45 CFR 155.420(d)(12), to notify their enrollees of the error and the enrollees' eligibility for a special enrollment period (SEP) within 30 calendar days after the issuer is informed by an Federally-facilitated Exchange (FFE) that the error is corrected, if directed to do so by the FFE. This requirement provides notification to QHP enrollees of errors that may have impacted their QHP selection and enrollment and any associated monthly or annual costs, as well as the availability of an SEP under § 155.420(d)(12) for the enrollee to select a different QHP, if desired. The Centers for Medicare and Medicaid Services (CMS) is renewing this information collection request (ICR) in connection with standards regarding Plan or Display Errors SEPs. **Form Number:** CMS-10595 (OMB control number: 0938-1301); **Frequency:** Yearly; **Affected Public:** Private Sector (business or other for-profits, not-for-profit institutions); **Number of Respondents:** 505; **Total Annual Responses:** 3,400; **Total Annual Hours:** 1,700. (For questions regarding this collection contact Deborah Hunter at 202-309-1098).

Dated: July 23, 2019.
