

Background

On May 1, 2019, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the antidumping duty order on certain carbon and alloy steel cut-to-length plate from Austria for the period May 1, 2018, through April 30, 2019.¹ On May 31, 2019, voestalpine Böhler Edelstahl GmbH & Co KG and voestalpine Böhler Bleche GmbH & Co KG (collectively, voestalpine), producers/exporters of certain carbon and alloy steel cut-to-length plate, filed a timely request for review, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).² Pursuant to this request, and in accordance with section 751(a) of the Act and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of voestalpine.³ On July 30, 2019, voestalpine filed a timely withdrawal of request for the administrative review and a request for rescission of the administrative review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, voestalpine, the only party to file a request for review, withdrew its request by the 90-day deadline. Accordingly, we are rescinding the administrative review of the antidumping duty order on certain carbon and alloy steel cut-to-length plate from Austria for the period May 1, 2018, through April 30, 2019, in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of certain carbon and alloy steel cut-to-length plate from Austria. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required

at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

are addressed in the accompanying Issues and Decision Memorandum.⁷ A list of the issues which parties raised, and to which we respond in the Issues and Decision Memorandum is attached as Appendix I to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Commerce building. The signed Issues and Decision Memorandum and electronic versions of

the Issues and Decision Memorandum are identical in content.

Final Determination of No Shipments

In the *Preliminary Results*, Commerce determined that 18 companies⁸ under active review did not have any reviewable transactions during the POR. As we have not received any information to contradict this determination, Commerce determines that these 18 companies did not have any reviewable entries of subject merchandise during the POR, and will issue appropriate instructions that are consistent with our "automatic assessment" clarification, for these final results.

Final Results of Review

In the *Preliminary Results*, Commerce found that 67 companies for which a

review was requested have not established eligibility for a separate rate and were considered to be part of the Vietnam-wide entity.⁹ We continue to find that, for the final results, these 67 companies remain ineligible for a separate rate (see Appendix II). Under Commerce's policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity.¹⁰ Because no party requested a review of the Vietnam-wide entity, the entity is not under review and the entity's rate is not subject to change.

For companies for which a review was requested and that have established eligibility for a separate rate, Commerce determines that weighted-average dumping margins of zero percent exist for each during the period February 1, 2017 through January 31, 2018:

¹¹ Due to the issues we have had in past segments of the proceeding with variations of exporter names related to this *Order*, we remind exporters that the names listed in the rate box are the exact names, including spelling and punctuation which Commerce will provide to U.S. Customs and Border Protection (CBP) and which CBP will use to assess POR entries and collect cash deposits. Any names with punctuation variations, such as all capitalizations, dashes, periods, or commas, or abbreviations of the word Company to "Co." and Limited to "Ltd." can be confirmed by Commerce in the event CBP inquiries about such variations. Commerce reminds interested parties that claimed affiliates are not automatically added to an exporter's rate box unless Commerce has made an affiliation determination for that exporter in the instant, or in prior, segments of the proceeding. Furthermore, inclusion of alternate trade names in an exporter's rate box must be supported by evidence on the record that the alternate trade name: (1) Appears on the exporter's business license (as an exporter), and (2) appears on

commercial documents for CBP's examination upon entry. See, e.g., *Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review, 2016–2017*, 83 FR 46704 (September 14, 2018), and accompanying Issues and Decision Memorandum at Comment 3.

¹² Commerce has determined for these final results that Fimex VN and Sao Ta Seafood Factory are affiliated within the meaning of section 771(33) of the Act and comprise a single entity pursuant to 19 CFR 351.401(f). For a complete discussion of this determination, see Issues and Decision Memorandum at 3–6.

¹³ Commerce previously determined Nha Trang Seaproduct Company to be part of a single entity along with NT Seafoods Corporation, Nha Trang Seafoods—F89 Joint Stock Company, and NTSF Seafoods Joint Stock Company. See *Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Preliminary Results, Partial Rescission, and Request for Revocation, In Part, of the Fifth Administrative Review*, 76 FR 12054, 12056 (March 4, 2012), unchanged in *Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review*, 76 FR 56158 (September 12, 2011). As the single entity has not reported changes since the preceding administrative review regarding the corporate or legal structure of the companies within the single entity, we continue to find that these companies are affiliated and comprise a single entity to which we will assign a single rate.

Disclosure and Public Comment

Normally, Commerce will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of the notice of final results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, as we have made no changes to the margin calculations for Fimex VN or Nha Trang Seaproduct Company since the *Preliminary Results*, there are no final calculations to disclose for these final results.

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

To determine whether the duty assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we calculated importer- (or customer-) specific *ad valorem* ratios based on the estimated entered value. As each respondent's weighted average dumping margin is zero or *de minimis*, or an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.¹⁴

¹⁴ See 19 CFR 352.106(c)(2); and *Antidumping Proceeding: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain*

Additionally, consistent with its assessment practice in non-market economy (NME) cases, if Commerce continues to determine that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the NME-wide rate.¹⁵

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) For the companies listed above, which have a separate rate, a zero cash deposit will be required; (2) for previously investigated or reviewed Vietnam and non-Vietnam exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnam exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the Vietnam-wide entity; and (4) for all non-Vietnam exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate

applicable to the Vietnam exporter that supplied that non-Vietnam exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order (APO)

This notice also serves as a reminder to parties subject to APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: August 20, 2019.

Hardwood Plywood Products From the People’s Republic of China: Initiation of Antidumping Duty New Shipper Review; 2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) has determined that a request for a new shipper review of the antidumping duty order on hardwood plywood products from the People’s

Republic of China meets the statutory and regulatory requirements for initiation. The period of review for this new shipper review is January 1, 2019 through June 30, 2019.

DATES: Applicable August 27, 2019.

SUPPLEMENTARY INFORMATION:

Background

On January 4, 2018, Commerce published the antidumping duty order on hardwood plywood products (plywood) from the People’s Republic of China (China).¹ On July 30, 2019, Commerce received a timely new shipper review (NSR) request from Xuzhou Constant Forest Industry Co., Ltd. (Constant Forest), in accordance with section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(c).² The deadline for the NSR initiation decision is August 30, 2019.

In its submission, Constant Forest certified that it is both the producer and exporter of the subject merchandise upon which the NSR request is based.³ Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Constant Forest certified that it did not export plywood to the United States during the period of investigation (POI).⁴ Additionally, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Constant Forest certified that, since the initiation of the investigation, it has never been affiliated with any producer or exporter that exported plywood to the United States during the POI, including those not individually examined during the investigation.⁵ As required by 19 CFR 351.214(b)(2)(iii)(B), Constant Forest also certified that its export activities were not controlled by the Government of China.⁶ Constant Forest additionally certified that it has had no subsequent shipments of subject merchandise.⁷
