Regulatory Amendment 34 to the Snapper Grouper Fishery Management Plan

The draft regulatory amendment contains proposed actions to:

Establish 30 Special Management Zones at permitted artificial reef sites in federal waters off the coast of North Carolina. Within the SMZs, harvest of snapper grouper species would be allowed with handline, rod and reel, and spear. All harvest by spear would be limited to the applicable recreational bag limit.

Establish four additional SMZs at permitted artificial reef sites in federal waters off the coast of South Carolina. Within the SMZs, harvest of snapper grouper species would only be allowed with handline, rod and reel, and spear (without powerheads) and harvest would be limited to the applicable recreational bag limit.

During the scoping meetings, Council staff will present an overview of the

draft amendment and will be available for informal discussions and to answer questions via webinar. Area Council members will be present at each of the Listening Stations. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council. A public comment form will also be available online. The comment form, a copy of the Regulatory Amendment 34 Scoping Document, and additional information will be posted on the Council's website as it becomes available at: <https://safmc.net/safmc-meetings/public-hearings-scoping-meetings/>.

Proposed Information Collection; Comment Request; Natural Resource Damage Assessment Restoration Project Information Sheet

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before December 10, 2019.

ADDRESSES: Direct all written comments to Adrienne Thomas, PRA Officer, NOAA, 151 Patton Avenue, Room 159, Asheville, NC 28801 (or at PRAcomments@doc.gov). All comments received are part of the public record. Comments will generally be posted without change. All Personally Identifiable Information (for example, name and address) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection

instrument and instructions should be directed to Brittany Jensen, (301) 427–8692 or Brittany.Jensen@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

This request is for an extension of a currently approved information collection.

The purpose of this information collection is to assist state and federal Natural Resource Trustees in more efficiently carrying out the restoration planning phase of Natural Resource Damage Assessments (NRDA), in compliance with the National Environmental Policy Act of 1969, 42 U.S.C. 4321–4370d; 40 CFR 1500–1500 and other federal and local statutes and regulations as applicable. The NRDA Restoration Project Information Sheet is designed to facilitate the collection of information on existing, planned, or proposed restoration projects. This information will be used by the Natural Resource Trustees to develop potential restoration alternatives for natural resource injuries and service losses requiring restoration, during the restoration planning phase of the NRDA process. This information is provided by the public on a voluntary basis. The information provided benefits the public by informing the NRDA restoration process. However there are no individual benefits that depend on the submission of information. Individuals can update the information as needed, but there is no required update frequency.

II. Method of Collection

The primary method of collection for The Restoration Project Information Sheet will be electronic submission via an online form. PDF or paper forms will be made available upon request for submission by email, mail, or fax.

III. Data

OMB Control Number: 0648–0497.
Form Number: None.

Type of Review: Regular submission (extension of a current information collection).

Affected Public: State, local, or tribal governments; individuals or households; business or other for-profits organizations; not-for-profit institutions; farms; and the federal government.

Estimated Number of Respondents: 300.

Estimated Time per Response: 20 minutes.

Estimated Total Annual Burden Hours: 100.

Estimated Total Annual Cost to Public: \$0 in recordkeeping/reporting costs.
