

regulatory requirements that include the implementation of a cybersecurity program, and these firms would already follow a widely recognized framework, guideline, or standard, to guide and assess their organization's cybersecurity program to comply with these regulations. Therefore, FICC believes any burden that may be imposed by the proposed rule change would be appropriate.

Further, while the proposed Cybersecurity Confirmation would identify certain standards and guidelines that would be appropriate, FICC would consider requests by applicants and Members to allow other standards in accepting a Cybersecurity Confirmation. Additionally, the proposed Cybersecurity Confirmation would provide differing options to conduct the review of the applicant's or Member's cybersecurity program. As such, FICC has endeavored to design the Cybersecurity Confirmation in a way that is reasonable and does not require one approach for meeting its requirements.

Finally, FICC is proposing to provide Members with a minimum of 180 calendar days' notice before the deadline for providing a Cybersecurity Confirmation. This notice would allow Members to address any impact this change may have on their business. Applicants would be required to provide the Cybersecurity Confirmation as part of their application materials upon the effective date of this proposed rule change. This implementation schedule is designed to be fair and not disproportionately impact any Members more than others. The proposal is designed to provide all impacted Members with time to review their cybersecurity programs with respect to the required representations, and identify, if necessary, internal or third party cybersecurity reviewers.

For the reasons described above, FICC believes any burden on competition that may result from the proposed rule change would be both necessary and appropriate in furtherance of the purposes of the Act, as permitted by Section 17A(b)(3)(I) of the Act.²³

Abstract of Proposed Collection

The Presidential Proclamation on the Suspension of Entry of Immigrants Who Will Financially Burden the United States Healthcare System (“PP 9945”)

requires immigrant visa applicants to establish, to the satisfaction of a consular officer, that the applicant will be covered by an approved health insurance plan within 30 days of entry into the United States, unless the applicant possesses sufficient financial resources to cover reasonably foreseeable medical costs. Proclamation No. 9945, 84 FR 53991 (Oct. 4, 2019). Section 3 of the Proclamation authorizes the Secretary of State to establish standards and procedures for governing such determinations. *Id.* PP 9945 was signed on October 4, 2019, and emergency review of this information collection is necessary for the Department to prepare consular officers to implement PP 9945 when it goes into effect on November 3, 2019.

Methodology

Consular officers will verbally ask immigrant visa applicants covered by PP 9945 whether they will be covered by health insurance in the United States within 30 days of entry to the United States and, if so, for details relating to such insurance. Proclamation No. 9945, 84 FR 53991 (Oct. 4, 2019). PP 9945 only applies to applicants seeking to enter the United States pursuant to an immigrant visa. If applicants answer affirmatively, consular officers will ask for applicants to identify the specific health insurance plan, the date coverage will begin, and such other information
