SUPPLEMENTARY INFORMATION: DoD is hosting a public meeting to obtain the views of experts and interested parties in Government and the private sector regarding amending the DFARS to implement statutory amendments and revise policies and procedures for acquisition of technical data and computer software, and associated license rights. DoD also seeks to obtain information on the potential increase or decrease in public costs or savings that would result from such amendments to the DFARS. In addition to the statutory changes, DoD is considering recommendations related to that

To facilitate discussion at the public meeting, DoD anticipates publication of advance notices of proposed rulemaking, which will include initial drafts of the DFARS amendments, prior to the public meetings. For the public meeting listed in the **DATES** section of this notice, DoD anticipates discussion of DFARS case 2018-D071, Negotiation of Price for Technical Data and Preference for Specially Negotiated Licenses, which implements section 835 of the NDAA for FY 2018 and section 867 of the NDAA for FY 2019.

After this meeting, DoD anticipates scheduling and hosting additional public meetings, structured in the same manner and for the same overall objective, to address the following DFARS cases:
