

201), and part 207, subparts A, D, E, and F (19 CFR part 207).

SUPPLEMENTARY INFORMATION: On October 4, 2019, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response to its notice of institution (84 FR 31343, July 1, 2019) was adequate. With respect to the orders on PET film from India, two Commissioners determined that the respondent interested party group response was adequate, and one Commissioner determined that the respondent group response was inadequate, but found that changes in the conditions of competition warranted full reviews of these orders. Consequently, the Commission determined to conduct full reviews of the antidumping and countervailing duty orders on PET film from India.¹ With respect to the antidumping duty order on PET film from Taiwan, the Commission determined that the respondent interested party group response was inadequate. The Commission determined, however, to conduct a full review of the order in order to promote administrative efficiency in light of its determination to conduct full reviews of the orders on PET film from India.² A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.
Issued: December 6, 2019.

Lisa Barton,

Secretary to the Commission.
