Form N-17D-1; SEC File No. 270-231, OMB Control No. 3235-0229

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Section 17(d) (15 U.S.C. 80a-17(d)) of the Investment Company Act of 1940 ("Act") authorizes the Commission to adopt rules that protect funds and their security holders from overreaching by affiliated persons when the fund and the affiliated person participate in any joint enterprise or other joint arrangement or profit-sharing plan. Rule 17d-1 under the Act (17 CFR 270.17d-1) prohibits funds and their affiliated persons from participating in a joint enterprise, unless an application regarding the transaction has been filed with and approved by the Commission. Paragraph (d)(3) of the rule provides an exemption from this requirement for any loan or advance of credit to, or acquisition of securities or other property of, a small business concern, or any agreement to do any of the foregoing ("investments") made by a small business investment company ("SBIC") and an affiliated bank, provided that reports about the investments are made on forms the Commission may prescribe. Rule 17d-2 (17 CFR 270.17d-2) designates Form N-17D-1 (17 CFR 274.00) ("form") as the form for reports required by rule 17d-1.

SBICs and their affiliated banks use form N-17D-1 to report any contemporaneous investments in a

small business concern. The form provides shareholders and persons seeking to make an informed decision about investing in an SBIC an opportunity to learn about transactions of the SBIC that have the potential for self-dealing and other forms of overreaching by affiliated persons at the expense of shareholders.

Form N-17D-1 requires SBICs and their affiliated banks to report identifying information about the small business concern and the affiliated bank. The report must include, among other things, the SBIC's and affiliated bank's outstanding investments in the small business concern, the use of the proceeds of the investments made during the reporting period, any changes in the nature and amount of the affiliated bank's investment, the name of any affiliated person of the SBIC or the affiliated bank (or any affiliated person of the affiliated person of the SBIC or the affiliated bank) who has any interest in the transactions, the basis of the affiliation, the nature of the interest, and the consideration the affiliated person has received or will receive.

There is one SBIC that may file the form annually.<sup>1</sup> The Commission estimates the burden of filling out the form is approximately one hour per response and would likely be completed by an accountant or other professional. Based on past filings, the Commission estimates that no more than one SBIC is likely to use the form each year. Most of the information requested on the form should be readily available to the SBIC or the affiliated bank in records kept in the ordinary course of business, or with respect to the SBIC, pursuant to the recordkeeping requirements under the Act. Commission staff estimates that it should take approximately one hour for an accountant or other professional to complete the form.<sup>2</sup> The estimated total annual burden of filling out the form is 1 hour, at an estimated total annual cost of \$216.<sup>3</sup> The Commission will not keep responses on Form N-17D-1 confidential.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not

<sup>1</sup> As of October 22, 2019, one SBIC was registered with the Commission.

<sup>2</sup> This estimate of hours is based on past conversations with representatives of SBICs and accountants that have filed the form.

<sup>3</sup> The estimated wage figure is based on published rates for Senior Accountants (\$216). The \$216/hour figure for a Senior Accountant is from Securities Industry and Financial Markets Association's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Rule 18f-1 and Form N-18f-1; SEC File No. 270-187, OMB Control No. 3235-0211

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 18f-1 (17 CFR 270.18f-1) enables a registered open-end management investment company ("fund") that may redeem its securities in-kind, by making a one-time election, to commit to make cash redemptions pursuant to certain requirements without violating section 18(f) of the Investment Company Act of 1940 (15 U.S.C. 80a-18(f)). A fund relying on the rule must file Form N-18F-1 (17 CFR 274.51) to notify the Commission of this election. The Commission staff estimates that 22 funds file Form N-18F-1 annually, and that each response takes one hour. Based on these estimates, the total annual burden hours associated with the rule is estimated to be 22 hours. The estimated burden hours associated with rule 18f-1 and Form 18F-1 have decreased by 16 hours from the current allocation of 38 hours. This decrease is due to a decrease in the estimated number of investment companies filing Form N-18F-1 annually. There is no external cost associated with this collection of information.

The estimate of average burden hours is made solely for the purposes of the Paperwork Reduction Act, and is not derived from a comprehensive or even a representative survey or study of the costs of Commission rules. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the Commission, including whether the information has practical utility; (b) the accuracy of the Commission's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.
